SCIT Report/Recommendations

March 9, 2022

1. Downtown 15 Minute Parking Review – The SCIT Committee received a request to relocate the 15 minute parking spot in front of the Down by the Station Building at 150 W Argonne on the south side of Argonne Drive to the first existing parking space (52') west of Clay on the south side of Argonne. The proposed Down by the Station Development has agreed to this relocation. The SCIT committee has recommended approval to allow for more turn over in parking for the adjacent business. In reviewing this request, the SCIT Committee also performed a complete review of all existing 15 minute parking in downtown Kirkwood as designated by signs and a review of Chapter 14, Article VIII Traffic Schedules, Schedule D: Limited Parking (b) No parking for longer period than 15 minutes between 8:00 a.m. and 7:00 p.m. on any day, except for Sundays and legal holidays. Several 15 minute spaces were not identified in the code, including the one located in front of the Down by the Station Building. The following recommendation cleans up the language in the code to match the existing and addresses the relocation.

The SCIT Committee recommends approval of the following additions to Chapter 14, Article VIII Traffic Schedules, Schedule D: Limited Parking (b) No parking for longer period than 15 minutes between 8:00 a.m. and 7:00 p.m. on any day, except for Sundays and legal holidays.

- Argonne Drive, south side, from 53 to 75 feet west of Clay Avenue
- Kirkwood Road, west side, from 149 to 168 feet north of Argonne Drive
- Kirkwood Road, east side, from 55 to 76 feet north of Jefferson Avenue

Legislation was presented to the City Council and was approved on April 7, 2022.

2. Additional Discussion Items – No Additional Discussion Items.
