registration now open to residents & season pass holders

Hosted by the City of Kirkwood at Kirkwood Park

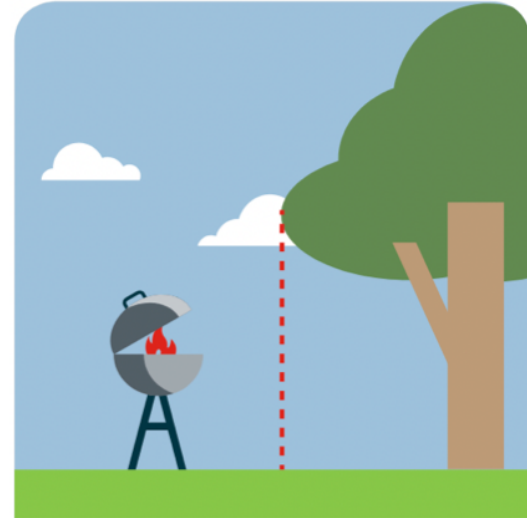

Kirkwood Fire Department would like to provide a few reminders for Summer Safety 2022

Always wear a bike helmet and bright clothes when cycling so people can see you. Put reflectors on your bike.

Always swim with a buddy.

Use propane, charcoal and wood pellet barbecue grills outdoors only. Indoor use can cause a fire or carbon monoxide poisoning.

Place your grill well away from siding and deck railings and out from under eaves and overhanging branches. Do not store or use a grill on a porch or balcony.

If you want to see fireworks, go to a public show put on by experts. Sparklers can reach 1,200 F and cause third-degree burns.

Ride with both hands on the handlebars. Ride in single file with traffic. Stop at all stop signs and obey traffic lights.
