### LETTER FROM THE DIRECTOR

#### Dear Readers,

Fall ushers in the welcomed transition from hot summer days at the pool to cooler temperatures and more time outside. Parks and Recreation staff is excited for this time of year with outdoor events such as the Greentree Festival in Kirkwood Park. This year’s theme, “Kirkwood Cartoon Caravan”, reflects the playful nature of the festival. Please plan on joining in the fun!

A project that is sure to be a hit is the planned renovation of the western-most tennis court in Kirkwood Park. The underutilized court will be converted to include four new permanent pickleball courts. With the popular growth in this sport for all ages, the new courts will certainly be heavily used and are slated for completion in 2023.

Of course there are still many other parks in Kirkwood that can provide a place to play in the cooler weather. Check out Avery Park on the north side of Manchester Rd. with its playground, swings, pavilion and basketball half-court or visit Emmenegger Nature Park for a walk in the woods and spectacular views.

See you at the Greentree Festival!

### STAFF UPDATES

Each fall, we like to highlight how our team has grown and/or changed over the past year. These include new staff members, retirements, and promotions.

Scout Adams joined our department in Feb. 2022 as the new Recreation Specialist. She holds a CPO (Certified Pool Operator) certification. She oversees aquatics programming and outdoor education programming, and assists with other special events. She was previously a Recreation Assistant for O’Fallon Parks and Recreation. In her free time, she enjoys volunteering with the St. Charles Jaycees, as well as hunting, hiking, backpacking, and camping. Welcome to the team!

Lily Buehler has been part of the KPAC team since the doors opened in 2020, and eventually stepped into the full-time role of Guest Relations Coordinator in January 2022. She oversees weddings and private events at the performing arts center, as well as their social media accounts. While she grew up in the Kirkwood area, she graduated from Rockhurst University in Kansas City with a Bachelor’s Degree in English where she also studied Theatre. She is so grateful to be part of the inaugural KPAC team!

Dan Schultz serves as Business Manager of the KPAC, overseeing contracting, concessions, and box office operations. Before joining Team Kirkwood, Dan was Artistic Director of The Great American Melodrama on California’s beautiful central coast. He taught on the Theatre faculty at Stephens College in Columbia, MO for seven years and also served as Artistic Director of the Okoboji Summer Theatre in Iowa. He is a longtime member of both Actors’ Equity and SAG-AFTRA.

We are excited to announce that Brenton Ward has been promoted to the Superintendent of Recreation as of August 2022. Brenton joined our team in December of 2019 as the Recreation Program Manager in charge of athletics. He will now oversee the aquatic center and the recreation department as a whole. In his free time, he enjoys the outdoors, watching ball games, and spending time with his family. If you see him at the pool or around the community center, feel free to say hi!

Kim Hedgpeth, Superintendent of Recreation, retired in August of 2022 after a 30-year career in the parks and recreation field. She will now be doing more traveling, golfing, and spending time with her family. We will miss you, Kim!

RED (8 and under) - 36' x 18' court - shorter nets - 18"-20" rackets

ORANGE (10 and under) - 60' court - 23"-25" rackets

6:30 p.m. April-Oct

GREEN (12 and under) - standard court - 26"-27" rackets

This is a transitional class for more experienced players moving from Orange classes to full-size court with green tennis balls. Stroke fundamentals are still necessary, but there is an introduction to more strategy-based drills.

5:30 p.m. April-Oct

YELLOW (18 and under) - standard court - 27" rackets

This class is designed for beginning and Intermediate skill levels. Predominantly live ball (situational drills where students feed) and strategy oriented.
