SCIT Report/Recommendation

September 2022

1. **Request for No parking Restriction 25 feet from Woodlawn on Quan in Both directions** – Discussion was held for this no parking restriction and SCIT recommends approval of the no parking restriction for the no parking restriction to be 20 feet of the crosswalk, which is consistent with the current ordinance.
2. **919 West Adams request to place a convex mirror** – SCIT discussed and determined that the City of Kirkwood doesn't install mirrors on City right of way. West Adams is owned and maintained by St. Louis County. Recommend that the property owner requests permission to install a mirror from St. Louis County.
3. Additional Discussion Items
 - a. **Request for Speed limit change to 20 mph** – SCIT discussed and determined that a reduction of the speed limit from 25 to 20 mph is not recommended. Approximately, 2 accidents per year occur each year that are not speed related. Most tickets that are issued live on adjoining streets to Ann.
 - b. **Request for Speed Humps to be installed on E Glenwood Lane north of Big Bend** – Petition was received from Anthony Scarato signed by 68 signatures. SCIT Discussed and recommended that temporary rubber speed humps be installed on E Glenwood Lane in spring of 2023. Speed trailer has been placed on the street many times and need to consider additional traffic calming features.
 - c. **Request for no parking on Avery Dr** – A signed petition for no parking needs to be received by the City for SCIT to review.
