

The Kirkwood Arts Commission's **GALLERY PROGRAM at KIRKWOOD PERFORMING ARTS CENTER** will present **FOUR SEASONAL EXHIBITIONS in 2023**. Each exhibition comprises works from three artists and the Commission will host an opening reception for each exhibition to celebrate the artists and their work.

**THE GALLERY SPACES:** Three wall galleries ignite the upstairs and main floor lobby spaces, which are viewable by all building guests. Two wall spaces are 50 feet long, the third is 25 feet long. Ceiling height varies. All feature a simple gallery hanging system using steel cables. We highly recommend an in-person visit to the KPAC's currently hanging shows to assess how works fit within the actual spaces.
