SCIT Report/Recommendations

November 9, 2022

1. Request for ADA Accessible Parking for both sides of Kirkwood Road between Argonne and Jefferson - SCIT discussed this request, and due to limited right of way, a fully compliant ADA spot on Kirkwood Road is not feasible. ADA accessible parking is available at 101 W Argonne, in front of Chase Bank, 150 E Argonne in front of the Farmers Market, and 137 W Argonne near Billy G's and the Kirkwood Fire Department on Argonne.
2. Request for a Stop Sign on S Elliott at Lillian – SCIT discussed this request for a stop sign on S Elliott at Lillian. The Police Department stated that there has been no accidents for the last 5 years, and the amount of traffic is low and therefore does not warrant a stop sign.
3. New Traffic/Speed Counter Discussion – Police Department to order new Stat Trak Traffic/Speed Counters for use in traffic and speed studies.
4. Additional Discussion Items
