The committee determined that will be a need to modify § 14-398 by Legislation to include:
 - a. Woodlawn Avenue, Scott Avenue to Leffingwell AvenueOnce the legislation is approved, an appropriate sign will be posted on Scott Avenue, just east of Leffingwell.
4. **Review of Traffic Calming Guidelines.** The item was tabled and will be discussed at the next meeting

New Business

1. **1100 block of South Glenwood (1183 S Glenwood Ln, Saint Louis, MO, 63122) Speed Bump Request.**
The committee recognized that this is a Private street. The Engineering Department would review the request when the speed bump plan is submitted.
2. **Request to Change 2-Way Stop (North Van Buren Avenue) to 4-Way Stop at West Washington Avenue at North Van Buren Avenue.**
The committee assigned Engineering to perform traffic counts in the Spring of 2024 to determine if the intersection warrants a 4-way stop.
3. **Ponca Trail Petition to Allow Parking on Sidewalk, from Barberry Lane to Big Bend Road.**
The committee reviewed the petition and the request to allow parking on sidewalk. Since the width of the street would not allow emergency vehicles to pass when a vehicle is parked on the street, the committee recommends allowing parking on the sidewalk after legislation to amend the law is approved by City Council.
