

History of Kirkwood City Councils

In April 1984, under a new form of Home Rule Government, the people elected a Mayor and six Council Members to be elected at large. Initially, the three individuals receiving the largest number of votes were elected to four-year terms and the other three to two-year terms, instituting the staggered term system. Those serving to date under the current Charter, since 1094 (in reverse chronological order), are:
