SCIT Report / Recommendations

10 AM August 14, 2024

Old Business

1. **Speed Bump on Parkwoods Ave.** A petition was received, signed by residents of Parkwoods requesting a speed bump on Parkwoods coming off Adams. This went to SCIT a few months back. We said we would collect speed data, look at Urban SDK Data and City Wide speed data coming from Lochmueller in September, but as a first step we agreed to put out the speed trailer in the meantime.
 - a. **Action:** July 22 and August 1. Police placed speed trailer, northbound, south of Hawbrook. The data was placed in the Eligibility for Traffic Calming Spreadsheet and resulted that Parkwoods Avenue is not eligible for traffic calming at this time

New Business

1. **SCIT review one way westbound in Argonne Alley.** On Friday, July 19, 2024 Julie Kavanagh <julieskavanagh@gmail.com> requested the Argonne Alley be designated one-way.
 - a. **Action:** SCIT will support the westbound one-way designation upon receiving the support of Donna E. Poe, Executive Director of the Downtown Kirkwood Special Business District.
