

Vegetation Management

Kirkwood Electric prides itself in being designated as a Tree Line USA Utility by the Arbor Day Foundation. This recognition demonstrates Kirkwood Electric's commitment to the proper staffing, training, trimming specifications, and best practices implementation to be responsible stewards of the Kirkwood landscape.

Tree Trimming Policy

It is the policy of Kirkwood Electric to keep electric lines clear of all trees that are likely to cause a power outage or damage to the utility's electric facilities. This [brochure](#) contains the uniform tree trimming standards for Kirkwood Electric.
