# RESIDENTIAL CURBSIDE SANITATION SERVICE

## BASIC SERVICE

- The City of Kirkwood will collect all trash, recyclables, and yard waste one day per week for every single-family household. Please have all materials **at the curb by 6:00 a.m.** on your sanitation collection day.
- Please do not park on the street on your day of service.
- Please understand that weather and other unforeseen circumstances may delay collection into the evening, so please leave all materials out until they have been picked up.
- The City provides each single-family household with a 65-gallon recycling cart. Any oversized cardboard that won't fit in the cart may be taken to the Scheidegger Depository, or call 822-5828 for an extra recycling pick-up.
- **Just moving in?** Kirkwood Sanitation will come and pick up your **flattened** cardboard boxes after move-in for free. Call 822-5828 to schedule.
- **Cart Placement:** Please do not place items on top of or in front of cart. Do not lean items against cart. Carts need three (3) feet of clearance from obstructions on all sides, 16 feet of clearance above the cart, and five (5) feet of clearance from parked cars. **Cart handles should face the house.** The automated arms only reach seven (7) feet, so carts should be placed where the arms can reach them, which will vary by street.
- Each year in August the City will provide one 50-bag roll of plastic trash bags to residents. Additional trash bags can be purchased at City Hall and at the Community Center for \$7.00 per roll (tax included).
- The City will collect up to five (5) disposable bags on the scheduled collection day. The maximum weight and volume for each disposable bag is 50 pounds and/or 35 gallons. Dis-

posable bags should be securely closed or sealed, and of adequate strength, design, and endurance to prevent breakage, spillage or leakage.

- **No Trash Cans:** Other than the City-provided recycling cart, any container placed at the curb will be removed as trash and not returned.
- **What is Not Collected:** Basic curbside service does not include collection of building materials, such as lumber, dry wall, railroad ties, or carpeting (see "Special Pick-Ups" section), or yard waste (see "Yard Waste" section).
- **Hazardous Materials:** In accordance with federal, state, and county regulations, disposable bags, disposable containers, and disposable items may NOT be collected by City sanitation crews if they contain the following: Lead acid batteries. Paint. Biomedical Waste. Any material that is volatile, highly flammable, explosive, or infectious. Any material that is toxic, radioactive, or hazardous. Any other item not permitted in a landfill by state law.
- **Please Note:** Saint Louis County has opened a permanent site for household hazardous waste. Visit their website for information: [www.hhwstl.com](http://www.hhwstl.com), or call 314-615-8958 to schedule a drop-off.

## SANITATION HOLIDAYS:

On certain holidays, sanitation will not be collected, and collection will be delayed by a day for the rest of the week, e.g.: No trash on a Monday holiday means Monday routes move to Tuesday, etc.

## Here is the 2019 Holiday Schedule:

- New Year's Day, Tuesday, January 1
- MLK Birthday, Monday, January 21
- Washington's Birthday, Monday, February 18
- Memorial Day, Monday, May 27
- Independence Day, Thursday, July 4: Thursday routes move to Friday.
- Labor Day, Monday, September 2

## *Holidays continued:*

- Thanksgiving, November 28: Thursday routes will be collected on Friday
- Christmas Day, Wednesday, December 25: Wednesday routes move to Thursday, and Thursday routes move to Friday.

## YARD WASTE COLLECTION

Bags of yard waste and bundled limbs should be placed at the curb with the City logo or City sticker facing the street by 6:00 a.m. on the regular collection day. **Yard waste is collected year-round.**

- **Size Limitations:** Limbs: No larger than two inches in diameter. Bundled limbs: No larger than 18 inches in diameter and no longer than 3 feet; each bundle must have a sticker.
- **What Can Be Collected:** Grass, leaves, plant debris, garden residue, and brush.
- **What Bags Should Be Used:** 30-gallon paper yard waste bags, available at Kirkwood City Hall, Kirkwood Community Center, and from area retailers (see cost below).
- **Weight Limit:** 50 pounds per bag.
- **Costs:** Yard waste is collected, at an additional cost, in one of two ways:  
1) Purchase yard waste bags at Kirkwood City Hall, 139 S. Kirkwood Rd., or at the Community Center, 111 S. Geyer Rd., for \$10.50 per pack of five. OR purchase from area retailers (visit City website for a list).  
2) Purchase plain paper yard waste bags from any retailer, but these must have a Kirkwood sticker affixed. Stickers are available for \$1.75 each from City Hall, the Community Center, Lowe's in Kirkwood, or Ace Hardware in Des Peres.
- **Christmas Trees:** Will be picked up in January at no additional cost. Regular yard
