For Immediate Release

Kirkwood Water Will Celebrate “Drinking Water Week” with Hands-On Exhibits and Demonstrations for Youth

May 2018

Kirkwood, Missouri: Kirkwood Water will host a fun event for youth ages 7 to 12 to celebrate Drinking Water Week.

Details:

- Date: Thursday, May 10, 2018
- Time: 2:30 to 5:00 p.m.
- Place: Kirkwood Community Center, Small Gym and Parking Lot, 111 S. Geyer Road
- Who’s Invited: Everyone. Materials and displays will be geared towards youth ages 7 to 12

Background: For more than 40 years the American Water Works Association and its members have celebrated Drinking Water Week – a unique opportunity for both water professionals and the communities they serve to join together in recognizing the vital role water plays in our daily lives. Drinking Water Week is celebrated the first full week in May each year. Please join AWWA as we celebrate drinking water!

In honor of Drinking Water Week, members of the Kirkwood Water team will be available to answer questions and present fun facts about our City’s distribution system. There will be several informational and interactive handouts and a “hands-on” display of a fire hydrant, old and new water mains, water service lines, pipe repair fittings, and tested water samples.
