

Construction on the Kirkwood Performing Arts Center is moving along. This section, as seen from the construction yard, is where the stage and "house" areas will be. Work is now being completed on the interior foundation walls, which must be completed before the house area can be enclosed.

Residents Invited to Review New Sidewalk Accessibility Plan

The City has developed a Sidewalk Evaluation and Transition Plan in an effort to make the community even more accessible and pedestrian friendly for all. The proposed Plan identifies barriers to access for persons with disabilities in accordance with the Americans with Disabilities Act. The Plan prioritizes and provides guidance on the removal and correction of these barriers over time. A copy of the Plan can be found at www.kirkwoodmo.org/ADASidewalkPlan. The City would like to encourage anyone who

is interested to provide feedback on the proposal. After viewing the draft Plan, citizens can take a short survey at this link: www.surveymonkey.com/r/KirkwoodADAComments. Citizens without Internet access can obtain a hard copy of the Plan and comment form at Kirkwood City Hall located at 139 S. Kirkwood Road, 63122. Upon request, reasonable accommodations will be provided in reviewing the Plan and completing the survey. Contact the Engineering Division, Kirkwood City Hall, Phone: 314-822-5822.

Have You Signed Up for Flashvote?

The City of Kirkwood invites residents who want to have their voices heard – but perhaps don't have the time to attend meetings – to sign up to take short surveys on an as-needed but regular basis. Resident input on issues of importance is essential to the City's decision-making process. Residents who join the City's new FlashVote community will find that civic participation has never been easier. Surveys take about a minute to complete,

and there is no fee to sign up. The surveys will be anonymous and infrequent, and personal information will be protected. The surveys will work on any computer, phone, or mobile device. An added benefit to residents is that they will get full results as soon as the survey period (two days) ends. Residents can sign up at www.flashvote.com/KirkwoodMO.

City Firefighters Lead Camp Fury Campers for Second Year

The Kirkwood Fire Department is a proud supporter of Camp Fury, a six-day resident camp for area Girl Scouts. The girls train alongside women firefighters and law enforcement officers to learn firefighting and EMS skills, practice defensive tactics, and develop investigative abilities.

This was the third year for the annual event and the second year for KFD's involvement. The Fire Department was very honored by the participation of Firefighter Nancy Goss and Retired Firefighter/Paramedic Dee Stratman. We are proud of their week-long commitment as camp counselors and instructors. Tower Ladder 1535 was also used in the class graduation photo. At Camp Fury, Girl Scouts are mentored by remarkable women who are breaking down barriers and stereotypes in what have traditionally been male-dominated career fields.

Left to right: Assistant Fire Chief Brian Zaitz, Firefighter/Paramedic Nancy Goss, Ret. Firefighter/Paramedic Dee Stratman, and Fire Chief Jim Silvernail.

Fair Housing Statement

The City of Kirkwood is committed to fair housing for all of its citizens. It is unlawful to discriminate against any person because of race, color, religion, national origin, ancestry, sex, handicap, familial status, sexual orientation, or gender identity. The City of Kirkwood has enacted a Fair Housing ordinance, which prohibits discrimination and spells out the process for filing a complaint. If you believe you have been discriminated against, call the City at 822-5801.
