FROM THE KIRKWOOD PARKS & RECREATION DEPARTMENT...

Dear Readers,

Thank you for taking a moment to look over the latest Kirkwood Parks and Recreation activity guide. There are all kinds of activities and opportunities to keep you occupied during the spring and summer months.

For the youngsters we have a huge variety of summer camps, starting with the oldest recreational program in Kirkwood, Camp Kirkwood, with before and after care available! Other camps include Camp Broadway, Aqua Camp, Sports Camp, Field Trip Camp and new camps like Camp Rockshow and Foodie Field Trip Camp! Check p. 3 & 4 for all camp offerings.

Summertime in Kirkwood of course means a trip to the Recreation Station Aquatic Center, so make sure to get your season passes, check out Tot Time, and sign the kids up for swim lessons. Don't forget about Water Aerobics and River Walk Club, two of the coolest ways to exercise in the summer.

Spring and summer are always a wonderful time to walk or ride on one of the great trails in Kirkwood. For longer trips on multi use trails try the Meramec River Greenway Trail in Greentree Park on the north side of the park or the 8 mile long Grant's Trail that departs from the Holmes/Leffingwell Trailhead into South County. Other parks such as Emmenegger Nature Park, Greentree Park, Fireman's Park, and Meramec Highlands Quarry at Dee Koesterling Park have their own internal trails sure to challenge your spirit of adventure. Closer to home try the 1/3 mile loop around Walker Lake in Kirkwood Park or the new natural surface Sugar Creek trail that will take you around the western and southern boundaries of the park.

Spring and summer are the perfect time to check out the racquet sports center. Choose from among nine resurfaced tennis courts, two handball/racquetball courts, and the only permanent public outdoor pickleball court in St. Louis County.

We are also offering a unique opportunity to volunteer in Kirkwood's park system. Join KPAC (Kirkwood Parks Assistance Corps) and you'll have opportunities to plant trees and flowers, remove invasive plants and assist with park clean up efforts. Contact Volunteer Coordinator Kylie Christanell at christkr@kirkwoodmo.org or 984-5993 for more information.

We're excited by the prospect of construction beginning this summer on the new Performing Arts Center in downtown Kirkwood. The facility will include a 500 seat theater and multi event space. Once this facility is complete the plan is to start on updating the existing Community Center. For more details visit www.kirkwoodmo.org/CCPAC

Finally, thanks to all the residents of Kirkwood and our many visitors who visit and support us throughout the year. We appreciate it! See you at the July 4th fireworks!

Junior Tennis Classes.Ages 3-18

Our programming is designed in coordination with the U.S. Tennis Association's Youth Player Progression. This system promotes play with red, orange, green, and yellow (R.O.G.Y.) compression balls, and is structured in a way that will allow young players to remain at the appropriate level and give players the opportunity to develop both physically and technically. Please note: R.O.G.Y. classes are divided internally into appropriate age and skill levels:

RED (8 and under) - 36' x 18' court - shorter nets - 18"-20" rackets

This class revolves entirely around having FUN, developing hand/eye coordination, and introducing basic stroke fundamentals. Proper rallying and serving aspects are explored while students are exposed to the basic rules of the game.

M1-M5 & T1-T5 5:30 p.m.

M8-M9 & T8-T9 8:00 a.m.

ORANGE (10 and under) - 60' court - 23"-25" rackets

This class encourages students to rally in a controlled fashion while learning the basics of score keeping. Singles and doubles are introduced as players can begin to play actual points on the age-appropriate shortened courts.

M1-M5 & T1-T5 5:30 p.m.

M8-M9 & T8-T9 8:00 a.m.

GREEN (12 and under) - standard court - 26"-27" rackets

This is a transitional class for more experienced players moving from Orange classes to full-size court with green tennis balls. Stroke fundamentals are still necessary, but there is an introduction to more strategy-based drills.

M1-M5 & T1-T5 4:30 p.m.

M8-M9 & T8-T9 9:00 a.m.

YELLOW (18 and under) - standard court - 27" rackets

This class is for middle school and high school students who have participated in all or some of the pre-requisite classes or possess an intermediate skill level. Drills are predominantly live ball (situation-based drills where students feed) and strategy-oriented.

M1-M5 & T1-T5 4:30 p.m.

M8-M9 & T8-T9 9:00 a.m.

Adult Tennis ClinicsAges 18+

This class is divided into appropriate skill levels. At all levels fundamental stroke technique is developed, live play is emphasized, and singles and doubles positioning is evaluated. More experienced players will focus on advanced technical shots and match strategy. Movement, knowledge, and fun is emphasized.
