# CITY OF KIRKWOOD PLANNING AND ZONING COMMISSION SUBCOMMITTEE REPORT AUGUST 21, 2019

**PETITION NUMBER:** PZ-4-20

ACTION REQUESTED: AMENDMENTS TO CITY OF KIRKWOOD CODE OF ORDINANCES APPENDIX

A: THE CITY OF KIRKWOOD ZONING CODE AS IT PERTAINS TO THE ADDITION OF A NEW SPECIAL USE CATEGORY (TATTOO STUDIO) IN THE B-2 DISTRICT AND TO THE DEFINITION AND PARKING SECTIONS

ACCORDINGLY, SPECIFICALLY SECTIONS 510.3, 140.1, AND 1000.4

**PROPERTY OWNER:** RICHARD DANIELS

**APPLICANT:** TREVOR COLLIS

**PROPERTY LOCATION:** 108 N. KIRKWOOD ROAD, 2<sup>ND</sup> FLOOR

**ZONING:** B-2, GENERAL BUSINESS DISTRICT

### **BACKGROUND/DESCRIPTION:**

The applicant has submitted a multi-part application which includes the following items: 1) multiple text amendments to the Zoning Code to allow for a new Special Use category in the B-2 district, and 2) a Special Use Permit for the new category of "Tattoo Studio" in the 2<sup>nd</sup> floor tenant space of 108 N. Kirkwood Road. Tattoo studios are currently not a permitted or special use in any of Kirkwood's Zoning Districts.

The requested text amendments include adding "Tattoo Studio" as a Special Use in the B-2 District, defining said use category, and including a parking rate for said use category. The applicant has proposed the following language to define this use category (note: minor typographical corrections have been made from the applicant's original submission):

**Tattoo Studio** - An establishment whose principal business activity, either in terms of operation or as held out to the public, is the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin.

Because the proposed location is in an existing building within the Downtown area, the City's off-street parking requirements do not apply. However, the City must anticipate that a Tattoo Studio may be requested in a new building or outside of the Downtown area. In preparation for that, the City required the applicant to include a proposed parking rate. The applicant has proposed One (1) space per chair as a minimum required parking rate for said use category.

The applicant indicated that he intends to operate by appointment between the hours of 9am and 9pm. The applicant clarified at the introduction meeting that he does not intend to have the business open 7 days a week from 9am to 9pm, but he has requested those times to allow him to hold appointments during those hours. The application material also states that he would start operations as a single owner/artist studio with a possibility to expand to no more than four tattoo stations. The applicant also offered a proximity restriction in his application that would require that no tattoo studio shall be closer than 1,000 feet to another tattoo studio.

### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as the Downtown category on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development fits within this broad land-use category.

The subject property is zoned B-2, General Business District (Central Business District). The proposed use, Tattoo Studio, is not currently permitted in any zoning district; and therefore, the applicant is required to request a text amendment.

Surrounding land uses and zoning include the following:

To the north: Properties are zoned B-2 with various retail and office uses being conducted.

To the south: Properties are zoned B-2 with various commercial uses being conducted.

To the east: Properties are zoned B-2 with various commercial uses being conducted.

To the west: Properties are zoned B-2 with various commercial uses being conducted.

### DISCUSSION:

A Zoning Matters sign was posted on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meeting was held on June 25, 2019 (See Exhibit B for a list of attendees). The subcommittee discussed the following items:

- 1. Clients unable to use stairs would be accommodated by the owner at another studio.
- 2. The maximum hours of operation proposed are 9am 9pm, 7 days a week.
- 3. The maximum number of chairs/stations proposed is 4.
- 4. The subcommittee discussed, and the applicant agreed, that the general parking rate for the proposed use should be 2 spaces per chair to accommodate the employee and client.
- 5. The subcommittee discussed adding a condition to prohibit internally illuminated signage.
- 6. Appropriate districts for the proposed use. B-2, B-3, and I-1 were all discussed and it was determined that I-1 would not be appropriate as this would perpetuate the stigma of non-desirable types of studios. Ultimately, the subcommittee felt B-2 is the most appropriate district.
- 7. The possibility of a prohibition on Tattoo Studios in first floor tenant spaces; however, a maximum storefront requirement was favored (e.g. 8' maximum). This type of requirement would prevent studios from having an overwhelming negative impact on the storefront area of Downtown but would allow a shop to have an external entrance either to a 2<sup>nd</sup> floor or to an interior tenant space in a multi-tenant building.
- 8. The proposed 1,000 foot buffer requirement between Tattoo Studios is appropriate. Staff estimated that this would allow for approximately 3 studios (including the current application) to locate in downtown if the current location is approved.

August 21, 2019

Page 2

9. The Executive Director of Downtown Kirkwood stated that the organization's advisory board is in support of the proposal so long as it is conditioned in the manner it has been discussed.

In addition to the items discussed at the meeting, the subcommittee also requested minor changes to the definition to clarify that the operation does not need to be the "principal" activity, but rather, that any business that includes said activity as any portion of their operation would be considered a Tattoo Studio.

#### **RECOMMENDATIONS**:

The Subcommittee finds that the following text amendments would not go against promoting the health, safety, morals or the general welfare of the community and recommends that the following amendments to the Zoning Code be *approved:* 

1. Section A-140 be amended to include a new definition as follows:

**Tattoo Studio** - An establishment whose business activity, either in terms of operation or as held out to the public, includes the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin. Said establishment shall be located a minimum of 1,000 feet from any other Tattoo Studio. Any tenant space containing a Tattoo Studio shall have a maximum first-floor street frontage of 8 feet.

- 2. Section A-510.3 be amended to include a new Special Use category for "Tattoo Studio".
- 3. Section A-1000.4 be amended to include a new category and requirement into "Table 1000-2, Parking Requirements" as follows:

Tattoo Studio – Two (2) spaces per chair/station.

The Subcommittee recommends that the request for a Special Use Permit to operate a Tattoo Studio on the 2<sup>nd</sup> floor of 108 N. Kirkwood Road be approved with the following conditions:

- 1. Hours of operation shall be limited to 9am through 9pm, Sunday through Saturday.
- 2. The maximum number of chairs/stations shall be limited to four.
- 3. Internally illuminated signage on the exterior of the building or as window signage shall be prohibited.
- 4. The applicant shall comply with all standard conditions as listed in Exhibit A.

# EXHIBIT A STANDARD CONDITIONS

- 1. The premises and improvements as approved by this Special Use Permit shall be in good working order and maintained in good repair at all times.
- 2. The applicant, by accepting and acting under the Special Use Permit approval granted, accepts the approval subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in the report and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this approval in the event such provisions are not complied with.

Step #1:

Strategic Plan NO

Goal # & Title

#### Background To Issue:

Trevor Collis has petitioned to add a new use category, Tattoo Studio, as a Special Use in the B-2 General Business District. This request also includes defining the new term and assigning a parking requirement to said use. The applicant simultaneously applied for a Special Use Permit for a Tattoo Studio which is the subject of a separate legislation request. For additional information, please see the attached P&Z Commission Subcommittee Report.

### Recommendations and Action Requested:

The Planning & Zoning Commission recommended approval of the request at their August 21, 2019 meeting by a vote of 8-1. A public hearing is requested followed by City Council consideration.

# CITY OF KIRKWOOD PLANNING AND ZONING COMMISSION SUBCOMMITTEE REPORT AUGUST 21, 2019

**PETITION NUMBER:** 

PZ-4-20

**ACTION REQUESTED:** 

AMENDMENTS TO CITY OF KIRKWOOD CODE OF ORDINANCES APPENDIX A: THE CITY OF KIRKWOOD ZONING CODE AS IT PERTAINS TO THE ADDITION OF A NEW SPECIAL USE CATEGORY (TATTOO STUDIO) IN THE B-2 DISTRICT AND TO THE DEFINITION AND PARKING SECTIONS ACCORDINGLY, SPECIFICALLY SECTIONS 510.3, 140.1, AND 1000.4

PROPERTY OWNER:

RICHARD DANIELS

APPLICANT:

TREVOR COLLIS

**PROPERTY LOCATION:** 

108 N. KIRKWOOD ROAD, 2<sup>ND</sup> FLOOR

**ZONING:** 

B-2, GENERAL BUSINESS DISTRICT

#### BACKGROUND/DESCRIPTION:

The applicant has submitted a multi-part application which includes the following items: 1) multiple text amendments to the Zoning Code to allow for a new Special Use category in the B-2 district, and 2) a Special Use Permit for the new category of "Tattoo Studio" in the 2<sup>nd</sup> floor tenant space of 108 N. Kirkwood Road. Tattoo studios are currently not a permitted or special use in any of Kirkwood's Zoning Districts.

The requested text amendments include adding "Tattoo Studio" as a Special Use in the B-2 District, defining said use category, and including a parking rate for said use category. The applicant has proposed the following language to define this use category (note: minor typographical corrections have been made from the applicant's original submission):

**Tattoo Studio** - An establishment whose principal business activity, either in terms of operation or as held out to the public, is the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin.

Because the proposed location is in an existing building within the Downtown area, the City's off-street parking requirements do not apply. However, the City must anticipate that a Tattoo Studio may be requested in a new building or outside of the Downtown area. In preparation for that, the City required the applicant to include a proposed parking rate. The applicant has proposed One (1) space per chair as a minimum required parking rate for said use category.

The applicant indicated that he intends to operate by appointment between the hours of 9am and 9pm. The applicant clarified at the introduction meeting that he does not intend to have the business open 7 days a week from 9am to 9pm, but he has requested those times to allow him to hold appointments during those hours. The application material also states that he would start operations as a single owner/artist studio with a possibility to expand to no more than four tattoo stations. The applicant also offered a proximity restriction in his application that would require that no tattoo studio shall be closer than 1,000 feet to another tattoo studio.

#### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as the Downtown category on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development fits within this broad land-use category.

The subject property is zoned B-2, General Business District (Central Business District). The proposed use, Tattoo Studio, is not currently permitted in any zoning district; and therefore, the applicant is required to request a text amendment.

Surrounding land uses and zoning include the following:

To the north: Properties are zoned B-2 with various retail and office uses being conducted.

To the south: Properties are zoned B-2 with various commercial uses being conducted.

To the east: Properties are zoned B-2 with various commercial uses being conducted.

To the west: Properties are zoned B-2 with various commercial uses being conducted.

#### **DISCUSSION:**

A Zoning Matters sign was posted on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meeting was held on June 25, 2019 (See Exhibit B for a list of attendees). The subcommittee discussed the following items:

- 1. Clients unable to use stairs would be accommodated by the owner at another studio.
- 2. The maximum hours of operation proposed are 9am 9pm, 7 days a week.
- 3. The maximum number of chairs/stations proposed is 4.
- 4. The subcommittee discussed, and the applicant agreed, that the general parking rate for the proposed use should be 2 spaces per chair to accommodate the employee and client.
- 5. The subcommittee discussed adding a condition to prohibit internally illuminated signage.
- 6. Appropriate districts for the proposed use. B-2, B-3, and I-1 were all discussed and it was determined that I-1 would not be appropriate as this would perpetuate the stigma of non-desirable types of studios. Ultimately, the subcommittee felt B-2 is the most appropriate district.
- 7. The possibility of a prohibition on Tattoo Studios in first floor tenant spaces; however, a maximum storefront requirement was favored (e.g. 8' maximum). This type of requirement would prevent studios from having an overwhelming negative impact on the storefront area of Downtown but would allow a shop to have an external entrance either to a 2<sup>nd</sup> floor or to an interior tenant space in a multi-tenant building.
- 8. The proposed 1,000 foot buffer requirement between Tattoo Studios is appropriate. Staff estimated that this would allow for approximately 3 studios (including the current application) to locate in downtown if the current location is approved.

August 21, 2019)

Page 2

9. The Executive Director of Downtown Kirkwood stated that the organization's advisory board is in support of the proposal so long as it is conditioned in the manner it has been discussed.

In addition to the items discussed at the meeting, the subcommittee also requested minor changes to the definition to clarify that the operation does not need to be the "principal" activity, but rather, that any business that includes said activity as any portion of their operation would be considered a Tattoo Studio.

#### **RECOMMENDATIONS:**

The Subcommittee finds that the following text amendments would not go against promoting the health, safety, morals or the general welfare of the community and recommends that the following amendments to the Zoning Code be *approved:* 

1. Section A-140 be amended to include a new definition as follows:

**Tattoo Studio** - An establishment whose business activity, either in terms of operation or as held out to the public, includes the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin. Said establishment shall be located a minimum of 1,000 feet from any other Tattoo Studio. Any tenant space containing a Tattoo Studio shall have a maximum first-floor street frontage of 8 feet.

- 2. Section A-510.3 be amended to include a new Special Use category for "Tattoo Studio".
- 3. Section A-1000.4 be amended to include a new category and requirement into "Table 1000-2, Parking Requirements" as follows:

Tattoo Studio – Two (2) spaces per chair/station.

The Subcommittee recommends that the request for a Special Use Permit to operate a Tattoo Studio on the 2<sup>nd</sup> floor of 108 N. Kirkwood Road be approved with the following conditions:

- 1. Hours of operation shall be limited to 9am through 9pm, Sunday through Saturday.
- 2. The maximum number of chairs/stations shall be limited to four.
- 3. Internally illuminated signage on the exterior of the building or as window signage shall be prohibited.
- 4. The applicant shall comply with all standard conditions as listed in Exhibit A.

# EXHIBIT A STANDARD CONDITIONS

- 1. The premises and improvements as approved by this Special Use Permit shall be in good working order and maintained in good repair at all times.
- 2. The applicant, by accepting and acting under the Special Use Permit approval granted, accepts the approval subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in the report and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this approval in the event such provisions are not complied with.

### CITY OF KIRKWOOD PLANNING AND ZONING COMMISSION SUBCOMMITTEE REPORT AUGUST 21, 2019

**PETITION NUMBER:** 

PZ-4-20

**ACTION REQUESTED**:

AMENDMENTS TO CITY OF KIRKWOOD CODE OF ORDINANCES APPENDIX
A: THE CITY OF KIRKWOOD ZONING CODE AS IT PERTAINS TO THE
ADDITION OF A NEW SPECIAL USE CATEGORY (TATTOO STUDIO) IN THE
B-2 DISTRICT AND TO THE DEFINITION AND PARKING SECTIONS
ACCORDINGLY, SPECIFICALLY SECTIONS 510.3, 140.1, AND 1000.4

**PROPERTY OWNER:** 

RICHARD DANIELS

APPLICANT:

TREVOR COLLIS

**PROPERTY LOCATION:** 

108 N. KIRKWOOD ROAD, 2<sup>ND</sup> FLOOR

ZONING:

B-2, GENERAL BUSINESS DISTRICT

#### BACKGROUND/DESCRIPTION:

The applicant has submitted a multi-part application which includes the following items: 1) multiple text amendments to the Zoning Code to allow for a new Special Use category in the B-2 district, and 2) a Special Use Permit for the new category of "Tattoo Studio" in the 2<sup>nd</sup> floor tenant space of 108 N. Kirkwood Road. Tattoo studios are currently not a permitted or special use in any of Kirkwood's Zoning Districts.

The requested text amendments include adding "Tattoo Studio" as a Special Use in the B-2 District, defining said use category, and including a parking rate for said use category. The applicant has proposed the following language to define this use category (note: minor typographical corrections have been made from the applicant's original submission):

**Tattoo Studio** - An establishment whose principal business activity, either in terms of operation or as held out to the public, is the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin.

Because the proposed location is in an existing building within the Downtown area, the City's off-street parking requirements do not apply. However, the City must anticipate that a Tattoo Studio may be requested in a new building or outside of the Downtown area. In preparation for that, the City required the applicant to include a proposed parking rate. The applicant has proposed One (1) space per chair as a minimum required parking rate for said use category.

The applicant indicated that he intends to operate by appointment between the hours of 9am and 9pm. The applicant clarified at the introduction meeting that he does not intend to have the business open 7 days a week from 9am to 9pm, but he has requested those times to allow him to hold appointments during those hours. The application material also states that he would start operations as a single owner/artist studio with a possibility to expand to no more than four tattoo stations. The applicant also offered a proximity restriction in his application that would require that no tattoo studio shall be closer than 1,000 feet to another tattoo studio.

#### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as the Downtown category on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development fits within this broad land-use category.

The subject property is zoned B-2, General Business District (Central Business District). The proposed use, Tattoo Studio, is not currently permitted in any zoning district; and therefore, the applicant is required to request a text amendment.

Surrounding land uses and zoning include the following:

To the north: Properties are zoned B-2 with various retail and office uses being conducted.

To the south: Properties are zoned B-2 with various commercial uses being conducted.

To the east: Properties are zoned B-2 with various commercial uses being conducted.

To the west: Properties are zoned B-2 with various commercial uses being conducted.

#### **DISCUSSION:**

A Zoning Matters sign was posted on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meeting was held on June 25, 2019 (See Exhibit B for a list of attendees). The subcommittee discussed the following items:

- 1. Clients unable to use stairs would be accommodated by the owner at another studio.
- 2. The maximum hours of operation proposed are 9am 9pm, 7 days a week.
- 3. The maximum number of chairs/stations proposed is 4.
- 4. The subcommittee discussed, and the applicant agreed, that the general parking rate for the proposed use should be 2 spaces per chair to accommodate the employee and client.
- 5. The subcommittee discussed adding a condition to prohibit internally illuminated signage.
- 6. Appropriate districts for the proposed use. B-2, B-3, and I-1 were all discussed and it was determined that I-1 would not be appropriate as this would perpetuate the stigma of non-desirable types of studios. Ultimately, the subcommittee felt B-2 is the most appropriate district.
- 7. The possibility of a prohibition on Tattoo Studios in first floor tenant spaces; however, a maximum storefront requirement was favored (e.g. 8' maximum). This type of requirement would prevent studios from having an overwhelming negative impact on the storefront area of Downtown but would allow a shop to have an external entrance either to a 2<sup>nd</sup> floor or to an interior tenant space in a multi-tenant building.
- 8. The proposed 1,000 foot buffer requirement between Tattoo Studios is appropriate. Staff estimated that this would allow for approximately 3 studios (including the current application) to locate in downtown if the current location is approved.

August 21, 2019 x

Page 2

9. The Executive Director of Downtown Kirkwood stated that the organization's advisory board is in support of the proposal so long as it is conditioned in the manner it has been discussed.

In addition to the items discussed at the meeting, the subcommittee also requested minor changes to the definition to clarify that the operation does not need to be the "principal" activity, but rather, that any business that includes said activity as any portion of their operation would be considered a Tattoo Studio.

#### **RECOMMENDATIONS:**

The Subcommittee finds that the following text amendments would not go against promoting the health, safety, morals or the general welfare of the community and recommends that the following amendments to the Zoning Code be *approved*:

1. Section A-140 be amended to include a new definition as follows:

**Tattoo Studio** - An establishment whose business activity, either in terms of operation or as held out to the public, includes the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin. Said establishment shall be located a minimum of 1,000 feet from any other Tattoo Studio. Any tenant space containing a Tattoo Studio shall have a maximum first-floor street frontage of 8 feet.

- 2. Section A-510.3 be amended to include a new Special Use category for "Tattoo Studio".
- 3. Section A-1000.4 be amended to include a new category and requirement into "Table 1000-2, Parking Requirements" as follows:

Tattoo Studio - Two (2) spaces per chair/station.

The Subcommittee recommends that the request for a Special Use Permit to operate a Tattoo Studio on the 2<sup>nd</sup> floor of 108 N. Kirkwood Road be approved with the following conditions:

- 1. Hours of operation shall be limited to 9am through 9pm, Sunday through Saturday.
- 2. The maximum number of chairs/stations shall be limited to four.
- 3. Internally illuminated signage on the exterior of the building or as window signage shall be prohibited.
- 4. The applicant shall comply with all standard conditions as listed in Exhibit A.

#### BILL

#### **ORDINANCE**

AN ORDINANCE GRANTING A SPECIAL USE PERMIT FOR A TATTOO STUDIO AT 108 NORTH KIRKWOOD ROAD,  $2^{\rm ND}$  FLOOR SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, Trevor Collis made application (PZ-4-20) for a special use permit (Tattoo Studio); and

WHEREAS, the Planning and Zoning Commission did on the 21<sup>st</sup> day of August, 2019, by adopting the Planning and Zoning Commission Report dated August 21, 2019, (attached hereto as Exhibit "A" and incorporated by reference herein), recommend the granting of said Special Use Permit subject to certain conditions and did find that granting of said permits would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities, and that granting such permit would be consistent with the zoning laws; and

WHEREAS, the Council did, on the 19<sup>th</sup> day of September, 2019, hold a public hearing with respect to such application after duly advertising and giving proper notice of such hearing and does find that the granting of such permit and site plan approval, subject to certain conditions, would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities; and

WHEREAS, the Council does further find that the general welfare requires that such permit be subject to the conditions hereinafter set out.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KIRKWOOD, MISSOURI, AS FOLLOWS:

SECTION 1. A Special Use Permit for a Tattoo Studio is granted on the property known as 108 North Kirkwood Road, 2<sup>nd</sup> Floor subject to the following conditions:

- 1. Hours of Operation shall be limited to 9am through 9pm, Sunday through Saturday.
- 2. The maximum number of chairs/stations shall be limited to four.
- 3. Internally illuminated signage on the exterior of the building or as window signage shall be prohibited.
- 4. The Architectural Review Board shall approve all signs and building architecture <u>prior to the issuance of any building permits.</u>

SECTION 2. The approval of this special use permit and final site plan shall not authorize any person to unreasonably alter, increase, or redirect the surface water run off so as to cause harm to any person or property.

SECTION 3. The premises and improvements as approved by this special use permit and final site plan shall be in good working order and maintained in good repair at all times.

SECTION 4. The applicant by accepting and acting under the special use permit and site plan herein granted accepts the permit subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in this Ordinance and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this permit in the event such provisions are not complied with.

SECTION 5. The applicant further agrees by accepting and acting under this special use permit and site plan herein granted that this ordinance does not grant applicant any special rights, privileges, or immunities.

SECTION 6. This ordinance shall become null and void in the event the petitioner does not obtain a building permit within one year of the passage of this ordinance.

SECTION 7: The applicant and her successors and assigns by accepting and acting under the approval herein granted accepts the approval subject to the condition that failure to abate any violation of this approval or any provisions of the Code of Ordinances of the City of Kirkwood within five (5) days after notice by hand delivery or first-class mail shall result in an administrative investigation fee of \$500 due to the City of Kirkwood. An invoice shall be issued. A Stop Work Order to cease all work on the premises except such work as directed by the Public Services Director to abate the violation may be issued for any work on the premises until the investigation fee is paid in full. The City may demand payment of said fee from the holder of the letter of credit, any bond, or escrow if not paid within 30 days of the invoice.

SECTION 8. This ordinance shall be in full force and effect after its passage and approval, as provided by law.

# CITY OF KIRKWOOD PLANNING AND ZONING COMMISSION SUBCOMMITTEE REPORT AUGUST 21, 2019

PETITION NUMBER:

PZ-4-20

**ACTION REQUESTED:** 

AMENDMENTS TO CITY OF KIRKWOOD CODE OF ORDINANCES APPENDIX A: THE CITY OF KIRKWOOD ZONING CODE AS IT PERTAINS TO THE ADDITION OF A NEW SPECIAL USE CATEGORY (TATTOO STUDIO) IN THE B-2 DISTRICT AND TO THE DEFINITION AND PARKING SECTIONS ACCORDINGLY, SPECIFICALLY SECTIONS 510.3, 140.1, AND 1000.4

PROPERTY OWNER:

RICHARD DANIELS

APPLICANT:

TREVOR COLLIS

**PROPERTY LOCATION:** 

108 N. KIRKWOOD ROAD, 2<sup>ND</sup> FLOOR

ZONING:

B-2, GENERAL BUSINESS DISTRICT

#### **BACKGROUND/DESCRIPTION:**

The applicant has submitted a multi-part application which includes the following items: 1) multiple text amendments to the Zoning Code to allow for a new Special Use category in the B-2 district, and 2) a Special Use Permit for the new category of "Tattoo Studio" in the 2<sup>nd</sup> floor tenant space of 108 N. Kirkwood Road. Tattoo studios are currently not a permitted or special use in any of Kirkwood's Zoning Districts.

The requested text amendments include adding "Tattoo Studio" as a Special Use in the B-2 District, defining said use category, and including a parking rate for said use category. The applicant has proposed the following language to define this use category (note: minor typographical corrections have been made from the applicant's original submission):

**Tattoo Studio** - An establishment whose principal business activity, either in terms of operation or as held out to the public, is the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin.

Because the proposed location is in an existing building within the Downtown area, the City's off-street parking requirements do not apply. However, the City must anticipate that a Tattoo Studio may be requested in a new building or outside of the Downtown area. In preparation for that, the City required the applicant to include a proposed parking rate. The applicant has proposed One (1) space per chair as a minimum required parking rate for said use category.

August 21, 2019

The applicant indicated that he intends to operate by appointment between the hours of 9am and 9pm. The applicant clarified at the introduction meeting that he does not intend to have the business open 7 days a week from 9am to 9pm, but he has requested those times to allow him to hold appointments during those hours. The application material also states that he would start operations as a single owner/artist studio with a possibility to expand to no more than four tattoo stations. The applicant also offered a proximity restriction in his application that would require that no tattoo studio shall be closer than 1,000 feet to another tattoo studio.

#### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as the Downtown category on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development fits within this broad land-use category.

The subject property is zoned B-2, General Business District (Central Business District). The proposed use, Tattoo Studio, is not currently permitted in any zoning district; and therefore, the applicant is required to request a text amendment.

Surrounding land uses and zoning include the following:

To the north: Properties are zoned B-2 with various retail and office uses being conducted.

To the south: Properties are zoned B-2 with various commercial uses being conducted.

To the east: Properties are zoned B-2 with various commercial uses being conducted.

To the west: Properties are zoned B-2 with various commercial uses being conducted.

#### DISCUSSION:

A Zoning Matters sign was posted on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meeting was held on June 25, 2019 (See Exhibit B for a list of attendees). The subcommittee discussed the following items:

- 1. Clients unable to use stairs would be accommodated by the owner at another studio.
- 2. The maximum hours of operation proposed are 9am 9pm, 7 days a week.
- 3. The maximum number of chairs/stations proposed is 4.
- 4. The subcommittee discussed, and the applicant agreed, that the general parking rate for the proposed use should be 2 spaces per chair to accommodate the employee and client.
- 5. The subcommittee discussed adding a condition to prohibit internally illuminated signage.
- 6. Appropriate districts for the proposed use. B-2, B-3, and I-1 were all discussed and it was determined that I-1 would not be appropriate as this would perpetuate the stigma of non-desirable types of studios. Ultimately, the subcommittee felt B-2 is the most appropriate district.
- 7. The possibility of a prohibition on Tattoo Studios in first floor tenant spaces; however, a maximum storefront requirement was favored (e.g. 8' maximum). This type of requirement would prevent studios from having an overwhelming negative impact on the storefront area of Downtown but would allow a shop to have an external entrance either to a 2<sup>nd</sup> floor or to an interior tenant space in a multi-tenant building.
- 8. The proposed 1,000 foot buffer requirement between Tattoo Studios is appropriate. Staff estimated that this would allow for approximately 3 studios (including the current application) to locate in downtown if the current location is approved.

August 21, 2019

Page 2

9. The Executive Director of Downtown Kirkwood stated that the organization's advisory board is in support of the proposal so long as it is conditioned in the manner it has been discussed.

In addition to the items discussed at the meeting, the subcommittee also requested minor changes to the definition to clarify that the operation does not need to be the "principal" activity, but rather, that any business that includes said activity as any portion of their operation would be considered a Tattoo Studio.

#### **RECOMMENDATIONS:**

The Subcommittee finds that the following text amendments would not go against promoting the health, safety, morals or the general welfare of the community and recommends that the following amendments to the Zoning Code be *approved:* 

1. Section A-140 be amended to include a new definition as follows:

**Tattoo Studio** - An establishment whose business activity, either in terms of operation or as held out to the public, includes the practice of placing of designs, letters, figures, symbols, or other marks upon or under the skin of any person; using ink or other substances that result in the permanent coloration of skin by means of the use of needles or other instruments designed to contact or puncture the skin. Said establishment shall be located a minimum of 1,000 feet from any other Tattoo Studio. Any tenant space containing a Tattoo Studio shall have a maximum first-floor street frontage of 8 feet.

- 2. Section A-510.3 be amended to include a new Special Use category for "Tattoo Studio".
- 3. Section A-1000.4 be amended to include a new category and requirement into "Table 1000-2, Parking Requirements" as follows:

Tattoo Studio – Two (2) spaces per chair/station.

The Subcommittee recommends that the request for a Special Use Permit to operate a Tattoo Studio on the 2<sup>nd</sup> floor of 108 N. Kirkwood Road be approved with the following conditions:

- 1. Hours of operation shall be limited to 9am through 9pm, Sunday through Saturday.
- 2. The maximum number of chairs/stations shall be limited to four.
- 3. Internally illuminated signage on the exterior of the building or as window signage shall be prohibited.
- 4. The applicant shall comply with all standard conditions as listed in Exhibit A.

# **MEMO**

To: David Weidler, Director of Procurement

From: Deputy Chief Smith

**Subject:** Recommendation on Personal Protective Equipment (Turnout Gear)

Date: September 3, 2019

The Fire Department recently developed a specification for the replacement of Personal Protective Equipment (Turnout Gear). The current PPE has five (5) years of usable life per NFPA standards. The current gear will become "Back-Up gear" to be utilized as frontline in the event of cleaning and maintenance of the front line gear. The five (5) year replacement cycle allows us to have current NFPA compliant gear even when in the back-up PPE. This specification was approved by the procurement department and the Invitation for Bid process was conducted.

Two (2) bidders submitted responses. The responses were evaluated by the committee assigned to this project. The low bidder, Sentinel Emergency Solutions did not bid the part number requested for Coat, Pant and Escape belt and took exceptions, bidding an alternative product. MacQueen Emergency bid the product and part number as requested for Coat, Pant and Escape belt and took no exceptions. The bid was formed so it could be split between multiple vendors resulting in the ability to award the helmet portion of the Invitation for Bid separately, which both vendors bid the requested part number.

The Fire Chief, Assistant Fire Chief, Deputy Fire Chief, Fire Marshal & one additional employee were removed from the purchase of new gear. The Chief Officers do not need back-up gear, neither does the Fire Marshal, due to those primary roles as command officers outside the hazard zone. One current employee will be retiring in less than a year and will not need new PPE as his current PPE is good for an additional five years. The Chief Officers as well as the Fire Marshal will also not need new helmets, these are also excluded for this purchase.

This purchase will include:

#### From MacQueen Emergency

Forty-Nine (49) sets of PPE, consisting of Coat & Pant, Boots & Escape Belts at \$3,528.00 per set, (Additionally, this includes an additional \$150.00 for shipping) for a total of **\$173,022.00**.

#### **From Sentinel Emergency Solutions**

Forty (40) Cairnes 880 Fire Helmets and Fronts at \$253.42 per Helmet, for a total of \$10,136.80

The combine total for the purchase is \$\frac{\$183,158.80}{}\$. The original capital budget for the purchase of hose was \$187,254.00. Funds are available in Account #301-1301-600.75-05, Project 4 of 8

FD2001.

Thank you for your consideration.

Respectfully Submitted,

To: Russell B. Hawes, Chief Administrative Officer

For Your Consideration: Forty-Nine (49) sets of Personal Protective Equipment (PPE), consisting of Coat & Pant, Boots & Escape Belts, for the Fire Department, IFB #13252.

Sealed bids were publicly opened on August 13, 2019. The bid tabulation is as follows:

# Coat, Pant and Escape belt

| Vendor                            | Per Set     | Total Bid (49 Sets)           |

| Sentinel Emergency Solutions, LLC | \$ 253.42   | \$ 10,136.80                  |
| MacQueen Emergency Group          | \$ 297.36   | \$ 11,894.40                  |

Bid requests were also sent to Leo M. Ellebracht and Banner Fire; however they did not submit bids.

The bid tabulation and line item break-down was provided to James Silvernail, Fire Chief, Brian Zaitz, Asst. Fire Chief, David Smith, Deputy Chief/EMS Mgr., Dennis Fischer, Captain/Fire Marshal, and Steve Knapp, Fire Captain/Paramedic for evaluation.

The bids were evaluated and Sentinel Emergency Solutions did not bid the items requested for Coat, Pant and Escape belt, bidding an alternate. Both bidders provided pricing for the Helmets, per the identical specifications with no exceptions.

It is recommended that the bid be split and awarded as follows:

### MacQueen Emergency Group

Forty-Nine (49) sets of PPE, consisting of Coat & Pant, Boots & Escape Belts at \$3,528.00 per set, plus an additional \$150.00 for shipping, for a total of \$173,022.00.

### Sentinel Emergency Solutions

# **MEMO**

To:

David Weidler, Director of Procurement

From:

Deputy Chief Smith

**Subject:** Recommendation on Personal Protective Equipment (Turnout Gear)

Date:

September 3, 2019

The Fire Department recently developed a specification for the replacement of Personal Protective Equipment (Turnout Gear). The current PPE has five (5) years of usable life per NFPA standards. The current gear will become "Back-Up gear" to be utilized as frontline in the event of cleaning and maintenance of the front line gear. The five (5) year replacement cycle allows us to have current NFPA compliant gear even when in the back-up PPE. This specification was approved by the procurement department and the Invitation for Bid process was conducted.

Two (2) bidders submitted responses. The responses were evaluated by the committee assigned to this project. The low bidder, Sentinel Emergency Solutions did not bid the part number requested for Coat, Pant and Escape belt and took exceptions, bidding an alternative product. MacQueen Emergency bid the product and part number as requested for Coat, Pant and Escape belt and took no exceptions. The bid was formed so it could be split between multiple vendors resulting in the ability to award the helmet portion of the Invitation for Bid separately, which both vendors bid the requested part number.

The Fire Chief, Assistant Fire Chief, Deputy Fire Chief, Fire Marshal & one additional employee were removed from the purchase of new gear. The Chief Officers do not need back-up gear, neither does the Fire Marshal, due to those primary roles as command officers outside the hazard zone. One current employee will be retiring in less than a year and will not need new PPE as his current PPE is good for an additional five years. The Chief Officers as well as the Fire Marshal will also not need new helmets, these are also excluded for this purchase.

This purchase will include:

# From MacQueen Emergency

Forty-Nine (49) sets of PPE, consisting of Coat & Pant, Boots & Escape Belts at \$3,528.00 per set, (Additionally, this includes an additional \$150.00 for shipping) for a total of \$173,022.00.

# **From Sentinel Emergency Solutions**

Forty (40) Cairnes 880 Fire Helmets and Fronts at \$253.42 per Helmet, for a total of \$10,136.80

The combine total for the purchase is \$183,158.80. The original capital budget for the purchase of hose was \$187,254.00. Funds are available in Account #301-1301-600.75-05, Project 4 of 8 FD2001.

Thank you for your consideration.

Respectfully Submitted,

David L. Smith, Deputy Chief / CMO

| MacQueen Emergency Group          | \$ 297.36   | \$ 11,894.40                  |

Bid requests were also sent to Leo M. Ellebracht and Banner Fire; however they did not submit bids.

The bid tabulation and line item break-down was provided to James Silvernail, Fire Chief, Brian Zaitz, Asst. Fire Chief, David Smith, Deputy Chief/EMS Mgr., Dennis Fischer, Captain/Fire Marshal, and Steve Knapp, Fire Captain/Paramedic for evaluation.

The bids were evaluated and Sentinel Emergency Solutions did not bid the items requested for Coat, Pant and Escape belt, bidding an alternate. Both bidders provided pricing for the Helmets, per the identical specifications with no exceptions.

It is recommended that the bid be split and awarded as follows:

## MacQueen Emergency Group

Forty-Nine (49) sets of PPE, consisting of Coat & Pant, Boots & Escape Belts at \$3,528.00 per set, plus an additional \$150.00 for shipping, for a total of \$173,022.00.

(2019)

For Political Subdivisions Other Than School Districts With a Separate Rate on Each Subclass of Property

| City of Kirkwood              | 09-096-0045                | General Revenue |
|-------------------------------|----------------------------|-----------------|
| Name of Political Subdivision | Political Subdivision Code | Purpose of Levy |

The final version of this form MUST be sent to the county clerk.

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or computed on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end (these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

Form A

For Political Subdivisions Other Than School Districts With a Separate Rate on Each Subclass of Property

City of Kirkwood 09-096-0045 Parks & Recreation

Name of Political Subdivision Political Subdivision Code

Purpose of Levy

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end ci these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

Purpose of Levy

Form A

Name of Political Subdivision

For Political Subdivisions Other Than School Districts With a Separate Rate on Each Subclass of Property

09-096-0045 City of Kirkwood Parks & Recreation Political Subdivision Code

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

tiormation on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to chiculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or computed on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate consideration and the consideration and public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or computed on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. I he information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in a even numbered year(s).

#### PRO FORMA - STATE AUDITOR'S REVIEW OF DATA SUBMITTED

7/29/2019 (2019)

Form A

For Political Subdivisions Other Than School Districts With a Separate Rate on Each Subclass of Property

Kirkwood SBD 15-096-0008 General Revenue

Name of Political Subdivision Political Subdivision Code Purpose of Levy

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

pitormation on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to visualize its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of the end of the provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

#### NOTICE OF PUBLIC HEARING

The Council of the City of Kirkwood will hold a public hearing at City Hall, 139 S. Kirkwood, Road, Kirkwood, Missouri at the hour of 7:00 p.m. on Thursday August 15, 2019 at which time citizens may be heard on the proposed property tax rates.

Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation

Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation for each subclass. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation. This proposed levy is subject to change pending action of the City Council, the Board of Equalization and/or the tax rate certification by the State Auditor.

# NOTICE OF PUBLIC HEARING before the City Council of Kirkwood, MO

The Council of the City of Kirkwood will hold a public hearing at City Hall, 139 S. Kirkwood Road, Kirkwood, Missouri at the hour of 7:00 p.m. on Thursday August 15, 2019 at which time citizens may be heard on the proposed property tax rates.

Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation for each subclass. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation. This proposed levy is subject to change pending action of the City Council, the Board of Equalization and/or the tax rate certification by the State Auditor.

#### BILL 10787

#### **ORDINANCE**

AN ORDINANCE FIXING AND ESTABLISHING THE RATE OF TAXATION TO BE LEVIED UPON ALL REAL ESTATE AND CERTAIN TANGIBLE PERSONAL PROPERTY IN THE CITY OF KIRKWOOD, COUNTY OF ST. LOUIS, STATE OF MISSOURI, FOR THE YEAR 2019, FOR THE OPERATION AND MAINTENANCE OF THE MUNICIPAL LIBRARY DISTRICT OF KIRKWOOD.

WHEREAS, pursuant to State law and the City's ordinances, a public hearing was duly advertised and held on August 15, 2019, setting forth the assessed valuation of real and personal property in the City and the estimated tax rate of 2019, and

WHEREAS, failure to meet this certification could put at risk significant tax revenues that are needed to support the Municipal Library District of Kirkwood.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KIRKWOOD, MISSOURI, AS FOLLOWS:

SECTION 1. That there be and is hereby levied on all real estate and certain tangible personal property, subject to taxation in the City of Kirkwood, County of St. Louis, State of Missouri, and those areas within the Municipal Library District of the City of Kirkwood, Missouri, for the year 2019:

A tax for the Municipal Library District of Kirkwood of 24.1 cents per One Hundred Dollars (\$100.00) of assessed valuation on Residential Real Estate.

A tax for the Municipal Library District of Kirkwood of 27.2 cents per One Hundred Dollars (\$100.00) of assessed valuation on Commercial Real Estate.

A tax for the Municipal Library District of Kirkwood of 35.5 cents per One Hundred Dollars (\$100.00) of assessed valuation on Personal Property.

SECTION 2. This ordinance shall be in full force and effect after its passage and approval, as provided by law.

| Name of Political Subdivision | Political Subdivision Code | Purpose of Levy |

The final version of this form MUST be sent to the county clerk.

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or computed on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or computed on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

The final version of this form MUST be sent to the county clerk.

Name of Political Subdivision

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

1sformation on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

Computation of reassessment growth and rate for compliance with Article X, Section 22, and Section 137.073, RSMo.

t iformation on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to circulate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information on the Informational Summary Page, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

#### NOTICE OF PUBLIC HEARING

The Council of the City of Kirkwood will hold a public hearing at City Hall, 139 S. Kirkwood Road, Kirkwood, Missouri at the hour of 7:00 p.m. on Thursday August 15, 2019 at which time citizens may be heard on the proposed property tax rates.

Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation for each subclass. The result is multiplied by 100 so the fax rate will be expressed in cents per \$100 valuation. This proposed levy is subject to change pending action of the City Council, the Board of Equalization and/or the tax rate certification by the State Auditor.

#### BILL 10788A

#### **ORDINANCE**

AN ORDINANCE GRANTING A SPECIAL USE PERMIT AND SITE PLAN APPROVAL FOR MOTOR VEHICLE SALES AT 10230 AND 10240 MANCHESTER ROAD SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, Manchester 10230, LLC made application (PZ-8-20) for a Special Use Permit and Site Plan approval for the purpose of a building addition and site improvement on the subject property to be utilized for motor vehicle sales to be located at 10230 and 10240 Manchester Road; and

WHEREAS, the Planning and Zoning Commission did on the 17<sup>th</sup> day of July, 2019, by adopting the Planning and Zoning Commission Report dated July 17, 2019, (attached hereto as Exhibit "A" and incorporated by reference herein), recommend the granting of said Special Use Permit and Site Plan approval subject to certain conditions and did find that granting of said permit and site plan approval would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities, and that granting such permit would be consistent with the zoning laws; and

WHEREAS, the Council did on the 15<sup>th</sup> day of August, 2019, hold a public hearing with respect to such application after duly advertising and giving proper notice of such hearing and does find that the granting of such permit and site plan approval, subject to certain conditions, would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities; and

WHEREAS, the Council does further find that the general welfare requires that such permit be subject to the conditions hereinafter set out.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KIRKWOOD, MISSOURI, AS FOLLOWS:

SECTION 1. A Special Use Permit and Site Plan approval for motor vehicle sales is granted on the properties known as 10230 and 10240 Manchester Road subject to the following conditions:

- 1. The project shall be constructed and maintained in accordance with the Site Plan stamped "Received July 2, 2019, City of Kirkwood Public Services Department", the Landscape Plan stamped "Received July 10, 2019, City of Kirkwood Public Services Department", and the Lighting Plan stamped "Received July 10, 2019, City of Kirkwood Public Services Department", except as noted herein.
- 2. A performance guarantee in the form of a cash deposit or letter of credit in an amount approved by the Public Services Department and an administrative fee (10% of the first

\$10,000 and 2% of the remaining balance of the performance guarantee) shall be submitted within one year of approval and prior to the issuance of a foundation letter or building permit to insure the completion of the proposed improvements, utilities and landscaping; to replace public improvements damaged by construction activities (sidewalks, curbs, etc.); and to guarantee significant trees designated to be saved. The letter of credit shall be in effect for a minimum of two years and may be extended in minimum six-month intervals as approved by the Department of Public Services. The Letter of Credit shall be drawn from a St. Louis area bank.

- 3. Based upon the justification submitted per Section 220.2, the following modifications shall be granted:
  - a. A reduced drive aisle width for the ramp to the western parking lot from 22' to 20'.
  - b. A full waiver of the required 10' planting screen along Manchester Road.
  - c. A full waiver of the 8 canopy trees required along Manchester Road.
  - d. A full waiver of the 11 canopy trees required along the southern property line.
  - e. A full waiver of the 7 canopy trees required along the west perimeter of the western parking lot.
  - f. An allowance for 2 of the required parking island canopy trees to be replaced with 2 understory trees.
- 4. The 18 parking spaces near the southeast corner of the site and indicated on the site plan as "Inventory or Service Car Parking Spots Only" shall be reserved for those uses and designated with signage and/or striping.
- 5. One additional ADA parking space is required, a total of 4 ADA spaces, per Section A-1000.5 (3) and shall be included on a revised Site Plan prior to issuance of permits.
- 6. A landscape island shall be added in the southeast corner of the site to accommodate landscaping consistent with other landscaping proposed in consultation with the Public Services Department.
- 7. All permanent and temporary easements for the Route 100 project shall be provided as part of this project prior to issuance of a building permit.
- 8. A consolidation plat with easements as required by the City shall be recorded and a recorded copy provided to the City prior to the issuance of a building permit.
- 9. All proposed public sidewalks shall be constructed so that they terminate in a manner compliant with ADA/PROWAG.
- 10. Site plan approval from MoDOT is required prior to issuance of permits.
- 11. If applicable, proper ground disturbance permits through MDNR shall be obtained prior to issuance of permits from the City.

- 12. All new curb is required to be 18" concrete barrier curb.
- 13. Storm water management plans shall be submitted to Metropolitan Sewer District (MSD) and City for review and approval prior to the issuance of a grading, foundation or building permit. Storm water greater than one c.f.s. shall not be directed across the public sidewalk or driveway entrances.
- 14. If applicable, sanitary sewer plan shall be approved by MSD <u>prior to the issuance of a foundation letter or building permit.</u>
- 15. Parking lot entrances shall be 7" thick concrete and ADA compliant.
- 16. The water system shall meet the requirements of the Kirkwood Fire and Water Departments. The Fire Department shall approve the water flow for the project. If satisfactory water flow is not available from the existing water system in accordance with City policy, the petitioner shall install the necessary mains and accessories.
- 17. If applicable, a grading permit shall be obtained from the Public Services Department in accordance with the Kirkwood Code of Ordinances <u>prior to any grading on the site</u>. The grading permit shall include a grading plan in accordance with the Code of Ordinances.
- 18. During excavation and construction activities, the area of the site that is disturbed for this project shall be fully enclosed by a 6-foot high chain link fence to prevent the entry of unauthorized persons. The gate for the fence shall be locked during non-working hours.
- 19. No parking of construction trailers, material storage, equipment storage, or construction equipment is authorized on the public streets at any time.
- 20. Enclosures are required to screen all dumpsters, grease receptacles, and similar items on the site and shall be constructed of sight-proof materials (e.g. masonry, split-faced concrete masonry units, etc.) similar or complementary to the main building and not less than six feet in height. Latching gates of similar or complementary materials shall be required to completely enclose the dumpster.
- 21. An accessible route in compliance with ADA standards shall be provided from the proposed accessible parking spaces to the accessible entrance of the building.
- 22. All rooftop equipment, air-conditioning units and mechanical equipment shall be completely screened from view of adjoining properties and public right-of-way.
- 23. The Architectural Review Board shall approve all signs and building architecture <u>prior to the issuance of any building permits.</u>
- 24. Between the hours of 8 p.m. and 8 a.m., interior lighting for second story rooms along the south façade shall be limited to lighting required for building and fire code compliance, janitorial services, and security.
- 25. The use of outdoor speakers for amplification of sound including, but not limited to, music and voice shall be prohibited.

- 26. An 8 foot tall sight-proof fence shall be provided along the southern property line adjacent to residentially zoned property.
- SECTION 2. Erosion and sediment control devices shall be sufficient to protect all offsite property from siltation and shall be installed prior to beginning of any grading or construction. The siltation control measures shall be installed and approved by the Public Services Department prior to issuance of any permit. These devices shall be maintained during the construction activities. Failure to maintain these devices authorizes the Public Services Department to issue a Stop Work Order for the building permit until such devices are restored.
- SECTION 3. The approval of this special use permit and site plan shall not authorize any person to unreasonably alter, increase, or redirect the surface water run off so as to cause harm to any person or property.
- SECTION 4. The premises and improvements as approved by this special use permit and site plan shall be in good working order and maintained in good repair at all times.
- SECTION 5. The applicant by accepting and acting under the special use permit and site plan herein granted accepts the permit subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in this Ordinance and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this permit in the event such provisions are not complied with.
- SECTION 6. The applicant further agrees by accepting and acting under this special use permit and site plan herein granted that this ordinance does not grant applicant any special rights. privileges, or immunities.
- SECTION 7. This ordinance shall become null and void in the event the petitioner does not obtain a building permit within one year of the passage of this ordinance.
- SECTION 8. The applicant and her successors and assigns by accepting and acting under the approval herein granted accepts the approval subject to the condition that failure to abate any violation of this approval or any provisions of the Code of Ordinances of the City of Kirkwood within five (5) days after notice by hand delivery or first-class mail shall result in an administrative investigation fee of \$500 due to the City of Kirkwood. An invoice shall be issued. A Stop Work Order to cease all work on the premises except such work as directed by the Public Services Director to abate the violation may be issued for any work on the premises until the investigation fee is paid in full. The City may demand payment of said fee from the holder of the letter of credit, any bond, or escrow if not paid within 30 days of the invoice.

SECTION 9. This ordinance shall be in full force and effect after its passage and approval, as provided by law.

Step #1:

Strategic Plan Select...

Goal # & Title

#### Background To Issue:

The owners of Audi Kirkwood (Manchester 10230 LLC) have applied for a Special Use Permit and Site Plan approval to allow the removal of the front portion of their existing building to allow for a 2-story addition in its place. In addition to the building improvements, the application includes improvements to the surface parking areas. The new site design is partly possible due to the applicant's purchase and approval received for storage of motor vehicles behind the old Shop 'N Save site. Please see the attached Subcommittee Report and plans for additional details.

#### Recommendations and Action Requested:

The Planning & Zoning Commission recommended approval of the request at their July 17, 2019 meeting by a vote of 8-0. Part of the approval was to amend the Subcommittee report to add a condition which states "A landscape island shall be added in the southeast corner of the site to accommodate landscaping consistent with other landscaping proposed in consultation with the Public Services Department". This condition has been included in the draft ordinance which is attached.

A public hearing is requested for this item followed by City Council consideration of the request.

#### **DESCRIPTION OF PROJECT:**

The applicant is requesting a Special Use Permit and Site Plan approval for a significant building remodel/addition with associated parking lot improvements on the sites located at 10230 and 10240 Manchester Road for the existing Motor Vehicle Sales business. There is no active Special Use Permit on the site; however, Staff has determined that the business is a legal non-conforming use. Approximately the front third of the existing building is proposed to be removed and replaced with a 2-story building addition which will provide space for offices and showroom on the 2<sup>nd</sup> story and service department arrival area on the 1<sup>st</sup> story. The parking to the west will be reconstructed to further utilize the existing grade change on the site. The western parking lot will be built to gradually rise until it meets the 2<sup>nd</sup> story which will become the main entrance to the new showroom and office space. The remaining parking areas are proposed to remain in their current footprint with more minor repairs and resurfacing/restriping occurring to accommodate the proposed internal circulation.

The proposed site plan includes the elimination of three access points that currently exist on Manchester Road for a total proposed two access point (reduced from 5 existing). The applicant also shows a 5' wide sidewalk along the entire frontage on private property and located in a public sidewalk easement. This sidewalk is separated from Manchester Road by a proposed 5' wide greenspace. This

design was the result of consultation with City Staff in order to keep the project consistent with the City/MoDOT Route 100 project.

#### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as Corridor Commercial on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development maintains the current use of the site and is consistent with the uses listed.

The subject properties are zoned B-3, Highway Business District. The proposed use, Motor Vehicle Sales is technically termed "Motor vehicle and other vehicle sales by a factory franchised dealer, provided that sales of new vehicles shall exceed the sale of used vehicles each year and no streamer lights are used". This use is a special use in this district which is why the applicant has applied for a Special Use Permit.

Surrounding land uses and zoning include the following:

To the north:

Across Manchester Road, properties are zoned B-3 and B-4 with various

commercial uses being conducted.

To the south:

There is a single-family residential neighborhood zoned R-4.

To the east:

There are multiple commercial properties zoned B-3.

To the west:

There is a single commercial property zoned B-3 between the subject site and

Woodlawn Avenue.

#### **DEPARTMENTAL/AGENCY COMMENTS:**

Electric:

No comments received.

Water:

Water service and appurtenances to be installed per City specs.

Engineering:

1. Provide all permanent and temporary easements for the Route 100 project.

MSD approval is required.
 MoDOT approval is required.

Building/Fire:

1. A flow test is required.

2. Identify fire hydrant locations

3. Provide turning radius details for the entrances.

4. Front loading spaces may limit access to front of building.

Forester:

No Comments.

MoDOT:

1. Project is found to be feasible subject to final approval in form of a permit

issued by MoDOT.

2. MoDOT objects to new trees being located in the right-of-way.

#### SITE ELEMENTS ANALYSIS:

#### Structure & Parking

The proposed building addition is located approximately 38' from the front property line which is approximately 5' further back from the property line when compared to the existing building. The front yard setback is 37.8' which is determined by averaging the setback of the adjacent buildings. The

building addition complies with all structure setbacks in the B-3 District. The proposed building also conforms to the height which is regulated through a maximum F.A.R of 2.0.

The proposed building includes 8 service bays with 7 service employees (47 parking spaces required), and 4,150 sf of office space (21 parking spaces required) which require a total of 68 parking spaces. The proposed plan includes 104 parking spaces including 10 internal spaces in the service arrival area. There are 18 spaces designated as Inventory or Service car parking-only. This restriction is included in the recommendation section of this report and is due to the fact that these spaces are double-parked. A condition has also been added that 1 additional ADA parking space be provided to comply with Section A-1000.5 (3). Additionally, the proposed plan includes 3 inverted-U bicycle racks as required by Code.

#### Site Access & Traffic Management

As mentioned in the Project Description, the proposal reduces the number of access points from 5 to 2 which will eliminate many potential conflict points for vehicles and pedestrians. There is a concrete median across from the western entrance which restricts this entrance to right-in, right-out movements. The eastern entrance is proposed as full-access. In addition to reducing the number of entrances, the current access points also range in size from 29' wide to 59' wide nearly creating one continuous curbcut along the property line. To further the circulation concerns, the existing site also has parking spaces directly adjacent to the right-of-way. The proposed plan has all parking spaces a minimum of 15' from the property line with an additional 5' of greenspace before the proposed curb. This design will create further separation and better visibility for all users.

#### Landscaping

Five of the six modifications listed in the Modifications section below are due to deficiencies in the proposed plan when compared to the City's landscaping requirements. For landscaping purposes, the proposal was evaluated in two separate parts. The existing building site (10230 Manchester) was evaluated as a redevelopment for purposes of frontage and rear yard trees. This parcel; however, was not evaluated to require additional trees around the parking areas since these areas are in the same location and are not being reconstructed. Because the western parking lot is being reconstructed, Staff evaluated this portion to require frontage trees, rear yard trees, and perimeter trees.

The proposed plan includes 8 trees (6 canopy and 2 understory) and various shrubs within landscape islands in the western parking lot. On the eastern portion of the project, there are various shrubs around the proposed monument sign and 4 evergreen trees around the proposed dumpster enclosure.

The applicant's original proposal included street frontage trees that met the requirements, with the exception of understory trees being proposed under overhead utility lines. After review by MoDOT; however, the City received comment that MoDOT would not allow the proposed trees in their right-of-way. The applicant could provide a 5' sidewalk in the public right-of-way and a 5' greenspace for planting of trees on their property; however, City Staff recommends that the current proposal which locates the greenspace between the sidewalk and the street is preferable. This design will be safer for pedestrians and will be consistent with the Route 100 project occurring along the corridor from Kirkwood Road east into Brentwood. The other option would be for the developer to provide additional greenspace on their property; however, this would make significant changes to their building and site layout design. The applicant has elected to request modifications for these items that they have not complied with.

#### Lighting

A revised lighting plan was provided on July 10, 2019 which addressed Staff's outstanding comments. The proposed plan includes 15 pole-mounted LED fixtures and 4 building-mounted LED fixtures designed to meet the requirements of the Zoning Code.

#### **MODIFICATIONS**

Along with their request, the applicant has requested multiple modifications per Section 220.2 of the Zoning Code regarding parking and landscaping requirements. The following is a summary of the various modifications that would be needed to accommodate the proposed design:

| Topic   | Required       | Provided                             | Difference                 |
|---|----------------|--------------------------------------|----------------------------|
| Drive aisle width   | 22′            | 20'                                  | 2'                         |
| Planting screen on private property between parking and abutting street | 10' .          | 0' (5' in public ROW)                | 10′                        |
| Street frontage trees   | 8 canopy       | 0 (not permitted in MoDOT ROW)       | 8                          |
| Rear yard trees   | 11 canopy      | 0                                    | 11                         |
| Parking lot perimeter trees (west property line only)                   | 7 canopy trees | 0                                    | 7                          |
| Parking lot island trees (western lot only)                             | 8 canopy trees | 6 canopy trees<br>2 understory trees | -2 canopy<br>+2 understory |

The applicant has issubmitted the following items for consideration regarding the modification. Additional detail on these items can be found in their letter received by the City on July 10, 2019:

- 1. Trees are proposed at 3.5" caliper rather than the 2" caliper required.
- 2. Adding as much landscape (irrigation included) as possible while allowing for adequate parking.
- 3. The architectural design provides an improved view for neighbors to the south.
- 4. The site and building will utilize high-efficiency lighting and HVAC equipment.
- 5. Reducing existing access points from 5 to 2 to promote safer vehicle and pedestrian circulation both on and off-site.
- 6. Public sidewalk easement on-site to coordinate with larger Route 100 plan and provide a 5' greenspace along Manchester Road and the addition of bicycle racks for safer access for all users.
- 7. The proposed site plan reduced the impervious area on-site which is currently 100% impervious.

#### DISCUSSION:

Zoning Matters signs were placed on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meetings was held on June 25<sup>th</sup>. A list of attendees of the subcommittee meeting can be seen in Exhibit B. At the subcommittee meeting, the following items were discussed:

- 1. On-site and off-site circulation improvements including pedestrian improvements.
- 2. The applicant expected to submit a modification request for multiple of the landscape issues.
- 3. The topography of the site was discussed with relation to the building's design and its utilization of the existing grade changes within the site.
- 4. Due to the existing raised-median, the western access point will be right-in/right-out and the eastern access point will be full-access.

These items have been discussed throughout the report and outstanding items have been included in conditions in the Recommendation section of this report.

#### **RECOMMENDATION:**

The Subcommittee recommends that this application be approved with the following conditions:

- 1. The project shall be constructed and maintained in accordance with the plans referenced in the Drawing Submitted portion of this report, except as noted herein.
- 2. Based upon the justification submitted per Section 220.2, the following modifications shall be granted:
  - a. A reduced drive aisle width for the ramp to the western parking lot from 22' to 20'.
  - b. A full waiver of the required 10' planting screen along Manchester Road.
  - c. A full waiver of the 8 canopy trees required along Manchester Road.
  - d. A full waiver of the 11 canopy trees required along the southern property line.
  - e. A full waiver of the 7 canopy trees required along the west perimeter of the western parking lot.
  - f. An allowance for 2 of the required parking island canopy trees to be replaced with 2 understory trees.
- 3. The 18 parking spaces near the southeast corner of the site and indicated on the site plan as "Inventory or Service Car Parking Spots Only" shall be reserved for those uses and designated with signage and/or striping.
- 4. One additional ADA parking space is required, a total of 4 ADA spaces, per Section A-1000.5 (3) and shall be included on a revised Site Plan prior to issuance of permits.
- 5. All permanent and temporary easements for the Route 100 project shall be provided as part of this project prior to issuance of a building permit.
- 6. All proposed public sidewalks shall be constructed so that they terminate in a manner compliant with ADA/PROWAG.
- 7. Site plan approval from MoDOT is required prior to issuance of permits.
- 8. If applicable, proper ground disturbance permits through MDNR shall be obtained prior to issuance of permits from the City.
- 9. The applicant shall comply with all standard conditions as listed in Exhibit A.
- 10. A landscape island shall be added in the southeast corner of the site to accommodate landscaping consistent with other landscaping proposed in consultation with the Public Services Department.

## EXHIBIT A STANDARD CONDITIONS

- 1. A performance guarantee in the form of a cash deposit or letter of credit in an amount approved by the Public Services Department and an administrative fee (10% of the first \$10,000 and 2% of the remaining balance of the performance guarantee) shall be submitted within one year of approval and prior to the issuance of a foundation letter or building permit to insure the completion of the proposed improvements, utilities and landscaping; to replace public improvements damaged by construction activities (sidewalks, curbs, etc.); and to guarantee significant trees designated to be saved. The letter of credit shall be in effect for a minimum of two years and may be extended in minimum six-month intervals as approved by the Department of Public Services. The Letter of Credit shall be drawn from a St. Louis area bank.
- Storm water management plans shall be submitted to Metropolitan Sewer District (MSD) and City for review and approval <u>prior to the issuance of a grading, foundation or building permit</u>.
   Storm water greater than one c.f.s. shall not be directed across the public sidewalk or driveway entrances.
- 3. Sanitary sewer plan shall be approved by MSD <u>prior to the issuance of a foundation letter or building permit.</u>
- 4. Parking lot entrances shall be 7" thick concrete and ADA compliant.
- 5. The water system shall meet the requirements of the Kirkwood Fire and Water Departments. The Fire Department shall approve the water flow for the project. If satisfactory water flow is not available from the existing water system in accordance with City policy, the applicant shall install the necessary mains and accessories.
- 6. If applicable, a grading permit shall be obtained from the Public Services Department in accordance with the Kirkwood Code of Ordinances prior to any grading on the site. The grading permit shall include a grading plan in accordance with the Code of Ordinances.
- 7. Erosion and sediment control devices shall be sufficient to protect all off-site property from siltation and shall be installed <u>prior to beginning of any grading or construction</u>. The siltation control measures shall be installed and approved by the Public Services Department prior to issuance of a building permit. These devices shall be maintained during the construction activities.
- 8. During excavation and construction activities, the area of the site that is disturbed for this project shall be fully enclosed by a 6-foot high chain link fence to prevent the entry of unauthorized persons. The gate for the fence shall be locked during non-working hours.
- 9. No parking of construction trailers, material storage, equipment storage or construction equipment is authorized on the public streets at any time.
- 10. An accessible route in compliance with ADA standards shall be provided from the proposed accessible parking spaces to the accessible entrance of the building.
- 11. All rooftop equipment, air-conditioning units and mechanical equipment shall be completely screened from view of adjoining properties and public right-of-way.

#### **DESCRIPTION OF PROJECT:**

The applicant is requesting a Special Use Permit and Site Plan approval for a significant building remodel/addition with associated parking lot improvements on the sites located at 10230 and 10240 Manchester Road for the existing Motor Vehicle Sales business. There is no active Special Use Permit on the site; however, Staff has determined that the business is a legal non-conforming use. Approximately the front third of the existing building is proposed to be removed and replaced with a 2-story building addition which will provide space for offices and showroom on the 2<sup>nd</sup> story and service department arrival area on the 1<sup>st</sup> story. The parking to the west will be reconstructed to further utilize the existing grade change on the site. The western parking lot will be built to gradually rise until it meets the 2<sup>nd</sup> story which will become the main entrance to the new showroom and office space. The remaining parking areas are proposed to remain in their current footprint with more minor repairs and resurfacing/restriping occurring to accommodate the proposed internal circulation.

The proposed site plan includes the elimination of three access points that currently exist on Manchester Road for a total proposed two access point (reduced from 5 existing). The applicant also shows a 5' wide sidewalk along the entire frontage on private property and located in a public sidewalk easement. This sidewalk is separated from Manchester Road by a proposed 5' wide greenspace. This

design was the result of consultation with City Staff in order to keep the project consistent with the City/MoDOT Route 100 project.

#### COMPREHENSIVE PLAN, LAND USE AND ZONING:

The site is designated as Corridor Commercial on the EnVision Kirkwood 2035 Future Land Use Map. Development types discussed in this land use include regional/neighborhood commercial. The proposed development maintains the current use of the site and is consistent with the uses listed.

The subject properties are zoned B-3, Highway Business District. The proposed use, Motor Vehicle Sales is technically termed "Motor vehicle and other vehicle sales by a factory franchised dealer, provided that sales of new vehicles shall exceed the sale of used vehicles each year and no streamer lights are used". This use is a special use in this district which is why the applicant has applied for a Special Use Permit.

Surrounding land uses and zoning include the following:

To the north:

Across Manchester Road, properties are zoned B-3 and B-4 with various

commercial uses being conducted.

To the south:

There is a single-family residential neighborhood zoned R-4.

To the east:

There are multiple commercial properties zoned B-3.

To the west:

There is a single commercial property zoned B-3 between the subject site and

Woodlawn Avenue.

#### **DEPARTMENTAL/AGENCY COMMENTS:**

Electric:

No comments received.

Water:

Water service and appurtenances to be installed per City specs.

Engineering:

1. Provide all permanent and temporary easements for the Route 100 project.

2. MSD approval is required.

3. MoDOT approval is required.

Building/Fire:

1. A flow test is required.

2. Identify fire hydrant locations

3. Provide turning radius details for the entrances.

4. Front loading spaces may limit access to front of building.

Forester:

No Comments.

MoDOT:

1. Project is found to be feasible subject to final approval in form of a permit

issued by MoDOT.

2. MoDOT objects to new trees being located in the right-of-way.

#### SITE ELEMENTS ANALYSIS:

#### Structure & Parking

The proposed building addition is located approximately 38' from the front property line which is approximately 5' further back from the property line when compared to the existing building. The front yard setback is 37.8' which is determined by averaging the setback of the adjacent buildings. The

building addition complies with all structure setbacks in the B-3 District. The proposed building also conforms to the height which is regulated through a maximum F.A.R of 2.0.

The proposed building includes 8 service bays with 7 service employees (47 parking spaces required), and 4,150 sf of office space (21 parking spaces required) which require a total of 68 parking spaces. The proposed plan includes 104 parking spaces including 10 internal spaces in the service arrival area. There are 18 spaces designated as Inventory or Service car parking-only. This restriction is included in the recommendation section of this report and is due to the fact that these spaces are double-parked. A condition has also been added that 1 additional ADA parking space be provided to comply with Section A-1000.5 (3). Additionally, the proposed plan includes 3 inverted-U bicycle racks as required by Code.

#### Site Access & Traffic Management

As mentioned in the Project Description, the proposal reduces the number of access points from 5 to 2 which will eliminate many potential conflict points for vehicles and pedestrians. There is a concrete median across from the western entrance which restricts this entrance to right-in, right-out movements. The eastern entrance is proposed as full-access. In addition to reducing the number of entrances, the current access points also range in size from 29' wide to 59' wide nearly creating one continuous curb-cut along the property line. To further the circulation concerns, the existing site also has parking spaces directly adjacent to the right-of-way. The proposed plan has all parking spaces a minimum of 15' from the property line with an additional 5' of greenspace before the proposed curb. This design will create further separation and better visibility for all users.

#### Landscaping

Five of the six modifications listed in the Modifications section below are due to deficiencies in the proposed plan when compared to the City's landscaping requirements. For landscaping purposes, the proposal was evaluated in two separate parts. The existing building site (10230 Manchester) was evaluated as a redevelopment for purposes of frontage and rear yard trees. This parcel; however, was not evaluated to require additional trees around the parking areas since these areas are in the same location and are not being reconstructed. Because the western parking lot is being reconstructed, Staff evaluated this portion to require frontage trees, rear yard trees, and perimeter trees.

The proposed plan includes 8 trees (6 canopy and 2 understory) and various shrubs within landscape islands in the western parking lot. On the eastern portion of the project, there are various shrubs around the proposed monument sign and 4 evergreen trees around the proposed dumpster enclosure.

The applicant's original proposal included street frontage trees that met the requirements, with the exception of understory trees being proposed under overhead utility lines. After review by MoDOT; however, the City received comment that MoDOT would not allow the proposed trees in their right-of-way. The applicant could provide a 5' sidewalk in the public right-of-way and a 5' greenspace for planting of trees on their property; however, City Staff recommends that the current proposal which locates the greenspace between the sidewalk and the street is preferable. This design will be safer for pedestrians and will be consistent with the Route 100 project occurring along the corridor from Kirkwood Road east into Brentwood. The other option would be for the developer to provide additional greenspace on their property; however, this would make significant changes to their building and site layout design. The applicant has elected to request modifications for these items that they have not complied with.

#### Lighting

A revised lighting plan was provided on July 10, 2019 which addressed Staff's outstanding comments. The proposed plan includes 15 pole-mounted LED fixtures and 4 building-mounted LED fixtures designed to meet the requirements of the Zoning Code.

#### **MODIFICATIONS**

Along with their request, the applicant has requested multiple modifications per Section 220.2 of the Zoning Code regarding parking and landscaping requirements. The following is a summary of the various modifications that would be needed to accommodate the proposed design:

| Topic   | Required       | Provided                             | Difference                 |
|---|----------------|--------------------------------------|----------------------------|
| Drive aisle width   | 22′            | 20'                                  | 2'                         |
| Planting screen on private property between parking and abutting street | 10' .          | 0' (5' in public ROW)                | 10′                        |
| Street frontage trees   | 8 canopy       | 0 (not permitted in MoDOT ROW)       | 8                          |
| Rear yard trees   | 11 canopy      | 0                                    | 11                         |
| Parking lot perimeter trees (west property line only)                   | 7 canopy trees | 0                                    | 7                          |
| Parking lot island trees (western lot only)                             | 8 canopy trees | 6 canopy trees<br>2 understory trees | -2 canopy<br>+2 understory |

The applicant has submitted the following items for consideration regarding the modification. Additional detail on these items can be found in their letter received by the City on July 10, 2019:

- 1. Trees are proposed at 3.5" caliper rather than the 2" caliper required.
- 2. Adding as much landscape (irrigation included) as possible while allowing for adequate parking.
- 3. The architectural design provides an improved view for neighbors to the south.
- 4. The site and building will utilize high-efficiency lighting and HVAC equipment.
- 5. Reducing existing access points from 5 to 2 to promote safer vehicle and pedestrian circulation both on and off-site.
- 6. Public sidewalk easement on-site to coordinate with larger Route 100 plan and provide a 5' greenspace along Manchester Road and the addition of bicycle racks for safer access for all users.
- 7. The proposed site plan reduced the impervious area on-site which is currently 100% impervious.

#### **DISCUSSION:**

Zoning Matters signs were placed on the property on June 14, 2019. The request was introduced at the Planning & Zoning Commission meeting on June 19, 2019. An on-site subcommittee meetings was held on June 25<sup>th</sup>. A list of attendees of the subcommittee meeting can be seen in Exhibit B. At the subcommittee meeting, the following items were discussed:

- 1. On-site and off-site circulation improvements including pedestrian improvements.
- 2. The applicant expected to submit a modification request for multiple of the landscape issues.
- 3. The topography of the site was discussed with relation to the building's design and its utilization of the existing grade changes within the site.
- 4. Due to the existing raised-median, the western access point will be right-in/right-out and the eastern access point will be full-access.

These items have been discussed throughout the report and outstanding items have been included in conditions in the Recommendation section of this report.

#### **RECOMMENDATION:**

The Subcommittee recommends that this application be <u>approved</u> with the following conditions:

- 1. The project shall be constructed and maintained in accordance with the plans referenced in the Drawing Submitted portion of this report, except as noted herein.
- 2. Based upon the justification submitted per Section 220.2, the following modifications shall be granted:
  - a. A reduced drive aisle width for the ramp to the western parking lot from 22' to 20'.
  - b. A full waiver of the required 10' planting screen along Manchester Road.
  - c. A full waiver of the 8 canopy trees required along Manchester Road.
  - d. A full waiver of the 11 canopy trees required along the southern property line.
  - e. A full waiver of the 7 canopy trees required along the west perimeter of the western parking lot.
  - f. An allowance for 2 of the required parking island canopy trees to be replaced with 2 understory trees.
- 3. The 18 parking spaces near the southeast corner of the site and indicated on the site plan as "Inventory or Service Car Parking Spots Only" shall be reserved for those uses and designated with signage and/or striping.
- 4. One additional ADA parking space is required, a total of 4 ADA spaces, per Section A-1000.5 (3) and shall be included on a revised Site Plan prior to issuance of permits.
- 5. All permanent and temporary easements for the Route 100 project shall be provided as part of this project prior to issuance of a building permit.
- 6. All proposed public sidewalks shall be constructed so that they terminate in a manner compliant with ADA/PROWAG.
- 7. Site plan approval from MoDOT is required prior to issuance of permits.
- 8. If applicable, proper ground disturbance permits through MDNR shall be obtained prior to issuance of permits from the City.
- 9. The applicant shall comply with all standard conditions as listed in Exhibit A.
- A landscape island shall be added in the southeast corner of the site to accommodate landscaping consistent with other landscaping proposed in consultation with the Public Services Department.

| Respectfully submitted, | Ann S. O.D.   |
|-------------------------|---------------|
| James Diel              | Jim O'Donnell |

## EXHIBIT A STANDARD CONDITIONS

- 1. A performance guarantee in the form of a cash deposit or letter of credit in an amount approved by the Public Services Department and an administrative fee (10% of the first \$10,000 and 2% of the remaining balance of the performance guarantee) shall be submitted within one year of approval and prior to the issuance of a foundation letter or building permit to insure the completion of the proposed improvements, utilities and landscaping; to replace public improvements damaged by construction activities (sidewalks, curbs, etc.); and to guarantee significant trees designated to be saved. The letter of credit shall be in effect for a minimum of two years and may be extended in minimum six-month intervals as approved by the Department of Public Services. The Letter of Credit shall be drawn from a St. Louis area bank.
- 2. Storm water management plans shall be submitted to Metropolitan Sewer District (MSD) and City for review and approval <u>prior to the issuance of a grading, foundation or building permit.</u>
  Storm water greater than one c.f.s. shall not be directed across the public sidewalk or driveway entrances.
- 3. Sanitary sewer plan shall be approved by MSD <u>prior to the issuance of a foundation letter or building permit.</u>
- 4. Parking lot entrances shall be 7" thick concrete and ADA compliant.
- 5. The water system shall meet the requirements of the Kirkwood Fire and Water Departments. The Fire Department shall approve the water flow for the project. If satisfactory water flow is not available from the existing water system in accordance with City policy, the applicant shall install the necessary mains and accessories.
- 6. If applicable, a grading permit shall be obtained from the Public Services Department in accordance with the Kirkwood Code of Ordinances prior to any grading on the site. The grading permit shall include a grading plan in accordance with the Code of Ordinances.
- 7. Erosion and sediment control devices shall be sufficient to protect all off-site property from siltation and shall be installed <u>prior to beginning of any grading or construction</u>. The siltation control measures shall be installed and approved by the Public Services Department prior to issuance of a building permit. These devices shall be maintained during the construction activities.
- 8. During excavation and construction activities, the area of the site that is disturbed for this project shall be fully enclosed by a 6-foot high chain link fence to prevent the entry of unauthorized persons. The gate for the fence shall be locked during non-working hours.
- 9. No parking of construction trailers, material storage, equipment storage or construction equipment is authorized on the public streets at any time.
- 10. An accessible route in compliance with ADA standards shall be provided from the proposed accessible parking spaces to the accessible entrance of the building.
- 11. All rooftop equipment, air-conditioning units and mechanical equipment shall be completely screened from view of adjoining properties and public right-of-way.

### **ORDINANCE**

AN ORDINANCE GRANTING A SPECIAL USE PERMIT FOR A CONVENIENCE STORE (BAKERY SHOP) ON THE PROPERTY KNOWN AS 137 WEST JEFFERSON AVENUE SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, Brittany Royal made application (PZ-10-20) for a Special Use Permit to operate a Bakery Shop on the property known as 137 West Jefferson Avenue; and

WHEREAS, the Planning and Zoning Commission did on the 17<sup>th</sup> day of July, 2019, recommend the granting of said Special Use Permit subject to certain conditions consistent with the recommendations included in the Staff Report dated July 17, 2019 and did find that granting of said permit would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities, and that granting such permit would be consistent with the zoning laws; and

WHEREAS, the Council did on the 15<sup>th</sup> day of August, 2019, hold a public hearing with respect to the Special Use Permit, after duly advertising and giving proper notice of such hearing, and does find that the granting of such permit, subject to certain conditions, would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities; and

WHEREAS, the Council does further find that the general welfare requires that such Special Use Permit be subject to the conditions hereinafter set out.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KIRKWOOD, MISSOURI, AS FOLLOWS:

SECTION 1. A Special Use Permit for a Convenience Store is hereby granted on the property known as 137 West Jefferson Avenue subject to the following conditions:

- 1. Said Special Use Permit shall be specifically limited to the operation of a Bakery Shop with the secondary use of the sale of ready-to-consume foods and nonalcoholic beverages permitted with less than 10% of the interior space devoted to serving, seating and/or consumption areas.
- 2. The project shall be consistent with the floor plan stamped "Received June 27, 2019, City of Kirkwood Public Services Department", except as noted herein.

- 3. Any new rooftop equipment, air-conditioning units and mechanical equipment related to the project shall be completely screened from view of adjoining properties and right-of-way.
- 4. The Architectural Review Board shall approve all signs prior to the issuance of a Sign Permit.

SECTION 2. The approval of this Special Use Permit shall not authorize any person to unreasonably alter, increase, or redirect the surface water run off so as to cause harm to any person or property.

SECTION 3. The premises and improvements as approved by this Special Use Permit shall be in good working order and maintained in good repair at all times.

SECTION 4. The applicant by accepting and acting under the Special Use Permit herein granted accepts the approval subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in this Ordinance and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this permit in the event such provisions are not complied with.

SECTION 5. The applicant and her successors and assigns by accepting and acting under the approval herein granted accepts the approval subject to the condition that failure to abate any violation of this approval or any provisions of the Code of Ordinances of the City of Kirkwood within five (5) days after notice by hand delivery or first-class mail shall result in an administrative investigation fee of \$500 due to the City of Kirkwood. An invoice shall be issued. A Stop Work Order to cease all work on the premises except such work as directed by the Public Services Director to abate the violation may be issued for any work on the premises until the investigation fee is paid in full. The City may demand payment of said fee from the holder of the letter of credit, any bond, or escrow if not paid within 30 days of the invoice.

SECTION 6. The applicant further agrees by accepting and acting under this Special Use Permit granted herein that this Ordinance does not grant applicant any special rights, privileges, or immunities.

SECTION 7. This Ordinance shall become null and void in the event the petitioner does not obtain an occupancy permit for the activity approved by this Ordinance within one year of the passage of this Ordinance.

SECTION 8. This Ordinance shall be in full force and effect after its passage and approval, as provided by law.

### **MEMORANDUM**

TO:

PLANNING & ZONING COMMISSION

FROM:

AMY LOWRY, ASSISTANT CITY PLANNER AGL

SUBJECT:

PZ-10-20; 137 WEST JEFFERSON AVENUE - BRITT'S

BAKEHOUSE (SUP - CONVENIENCE

STORE/BAKERY SHOP)

DATE:

JULY 11, 2019

CC:

BILL BENSING, PUBLIC SERVICES DIRECTOR

### PROJECT DESCRIPTION:

A new catering business, Britt's Bakehouse, has been approved as a permitted use for the tenant space at 137 West Jefferson Avenue. This tenant space of 1192 sf is the western third of the 6,434 sf building and was most recently occupied by a gift store, Plowsharing Crafts. The catering business will provide custom gluten-free cakes, cookies, pies and desserts to clients who order in advance. The catering definition in the Zoning Code allows on-site preparation and delivery, but no service or consumption on the premises. The applicant would also like to sell ready-to-eat baked goods and to provide coffee/tea service. Although less than 10% of the space will be devoted to this use, such sale of ready-to-consume foods and non-alcoholic beverages is considered a convenience store (food store/bakery under 5000 sf) under the Zoning Code and requires a Special Use Permit in the B-2 Zoning District. The applicant has indicated that the hours of operation would be 7:00 a.m. – 6:30 p.m. Tuesday through Friday, 8:00 a.m. – 5:00 p.m. Saturday, and 8:00 a.m. – 1:00 p.m. Sunday. The applicant also specified that there will be two full-time employees and multiple part-time employees with a maximum of three employees on any shift. The applicant does not propose any indoor or outdoor seating.

### DISCUSSION:

A Zoning Matters sign was posted on the property on July 10, 2019. Section A-1000: Parking Regulations of the Zoning Code state that the change of use of any premises within the downtown area shall be exempt from additional parking and loading requirements.

### RECOMMENDATION:

Staff recommends this petition be approved with the following conditions:

- 1. A Special Use Permit shall be granted to allow for the operation of a convenience store in the tenant space known as 137 West Jefferson Avenue. The SUP shall be specifically limited to the operation of a Bakery Shop with the secondary use of the sale of ready-to-consume foods and nonalcoholic beverages permitted with less than 10% of the interior space devoted to serving, seating and/or consumption areas.
- 2. Any new rooftop equipment, air-conditioning units and mechanical equipment related to the project shall be completely screened from view of adjoining properties and right-of-way.
- 3. The Architectural Review Board shall approve all signs prior to the issuance of a Sign Permit.

Britt's Bakehouse 137 West Jefferson Ave. Kirkwood, MO 63122

June 27, 2019

Kirkwood City Hall 139 South Kirkwood Rd. Kirkwood, MO 63122

To the Planning and Zoning Commission:

Britt's Bakehouse would like to apply for a Special Use Permit to become a convenience store (bakery) in order to better serve the Kirkwood community. As a catering establishment we provide custom gluten-free cakes, cookies, pies, and desserts to clients who order in advance. We would like to have a Special Use Permit to engage the local community and provide baked goods and coffee/tea service (less than 10% of the space will be devoted to this) to walk-in customers.

According to the Kirkwood code, bakeries require 5,000 sq. ft. and our shop is 1,192 sq. ft. Britt's Bakehouse would fall into the category of a food store, more specifically a convenience store. Our goals would remain the same as a bakery: enhance the charm of the downtown business district by serving as a destination for high quality baked goods, particularly to the local foot traffic.

We were drawn to open a shop in downtown Kirkwood because of its charm. We love the enthusiastic community participation, the quaint shopfronts and local vendors, and the walkable nature of the city. We aim to be part of the friendly, walkable corridor on West Jefferson, nestled between Kirkwood Hardware and The Checkered Cottage.

As a shop open to walk-in traffic, we anticipate having two full-time employees and multiple part-time employees to accommodate the increase in production and provide customer service. We plan on being open from 7:00 am -6:30 pm Tuesday through Friday, from 8:00 am -5:00 pm on Saturday, and 8:00 am -1:00 pm on Sunday.

I have enclosed the requested documents. If you have any additional questions, please feel free to contact me at (314) 447-4794 or at britt@brittsbakehouse.com. I look forward to working with you.

Guttam C Royal

Sincerely,

Britt Royal

### WHERE COMMUNITY AND SPIRIT MEET

July 18, 2019

Russell B. Hawes Chief Administrative Officer

At the July 17, 2019, meeting of the Planning and Zoning Commission, the following action was taken:

- 1. At the request of the petitioner, who is requesting amendments to the Zoning Code and a Special Use Permit for a tattoo studio on the second floor of 108 North Kirkwood Road, the application was continued to the August 21 meeting.
- 2. The Commission unanimously recommended approval of a Special Use Permit and Site Plan for Audi Kirkwood at 10230 and 10240 Manchester Road.
- After a presentation from Britt's Bakehouse for a Special Use Permit to operate a bakery with retail sales at 137 West Jefferson Avenue, the Commission unanimously recommended approval.
- 4. After a presentation from Mission Taco Joint for a Special Use Permit to operate an amusement establishment in a portion of their restaurant at 105 East Jefferson, the Commission unanimously recommended approval.
- 5. Staff provided updates on development projects recently reviewed by the City Council.
- 6. Staff provided an update on the Zoning, Subdivision, and Sign Code Review project.
- 7. Staff provided the quarterly update on the Envision Kirkwood 2035 Comprehensive Plan.

The next meeting will be held on August 21, 2019, at 7 p.m.

Respectfully submitted,

Allen Klippel, Chair Planning and Zoning Commission

### **MEMORANDUM**

TO: PLANNING & ZONING COMMISSION

FROM: AMY LOWRY, ASSISTANT CITY PLANNER AGE

SUBJECT: PZ-10-20; 137 WEST JEFFERSON AVENUE – BRITT'S

BAKEHOUSE (SUP – CONVENIENCE

STORE/BAKERY SHOP)

**DATE:** JULY 11, 2019

CC: BILL BENSING, PUBLIC SERVICES DIRECTOR

### **PROJECT DESCRIPTION:**

A new catering business, Britt's Bakehouse, has been approved as a permitted use for the tenant space at 137 West Jefferson Avenue. This tenant space of 1192 sf is the western third of the 6,434 sf building and was most recently occupied by a gift store, Plowsharing Crafts. The catering business will provide custom gluten-free cakes, cookies, pies and desserts to clients who order in advance. The catering definition in the Zoning Code allows on-site preparation and delivery, but no service or consumption on the premises. The applicant would also like to sell ready-to-eat baked goods and to provide coffee/tea service. Although less than 10% of the space will be devoted to this use, such sale of ready-to-consume foods and non-alcoholic beverages is considered a convenience store (food store/bakery under 5000 sf) under the Zoning Code and requires a Special Use Permit in the B-2 Zoning District. The applicant has indicated that the hours of operation would be 7:00 a.m. – 6:30 p.m. Tuesday through Friday, 8:00 a.m. – 5:00 p.m. Saturday, and 8:00 a.m. – 1:00 p.m. Sunday. The applicant also specified that there will be two full-time employees and multiple part-time employees with a maximum of three employees on any shift. The applicant does not propose any indoor or outdoor seating.

### **DISCUSSION:**

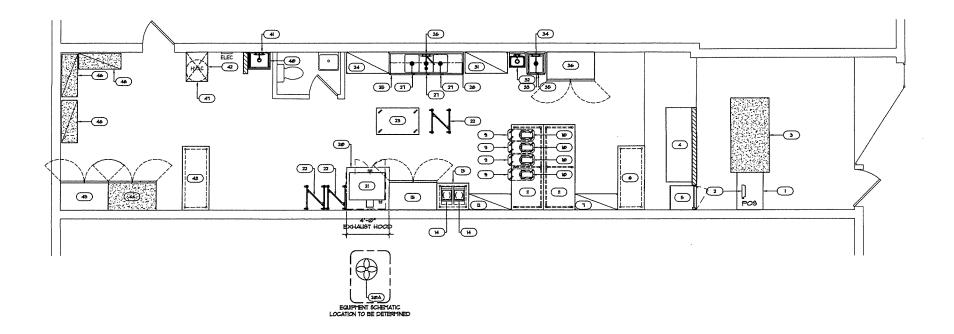

A Zoning Matters sign was posted on the property on July 10, 2019. Section A-1000: Parking Regulations of the Zoning Code state that the change of use of any premises within the downtown area shall be exempt from additional parking and loading requirements.

### RECOMMENDATION:

Staff recommends this petition be approved with the following conditions:

- 1. A Special Use Permit shall be granted to allow for the operation of a convenience store in the tenant space known as 137 West Jefferson Avenue. The SUP shall be specifically limited to the operation of a Bakery Shop with the secondary use of the sale of ready-to-consume foods and nonalcoholic beverages permitted with less than 10% of the interior space devoted to serving, seating and/or consumption areas.
- 2. Any new rooftop equipment, air-conditioning units and mechanical equipment related to the project shall be completely screened from view of adjoining properties and right-of-way.
- 3. The Architectural Review Board shall approve all signs prior to the issuance of a Sign Permit.

**Attachments:** Planning & Zoning Application, Applicant Cover Letter, Site Plan dated June 27, 2019

### BILL 10790A

### **ORDINANCE**

AN ORDINANCE GRANTING A SPECIAL USE PERMIT FOR AN AMUSEMENT ESTABLISHMENT AT 105 EAST JEFFERSON AVENUE SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, Adam Tilford made application (PZ-11-20) for a Special Use Permit to operate an Amusement Establishment (Arcade) at 105 East Jefferson Avenue; and

WHEREAS, the Planning and Zoning Commission did on the 17<sup>th</sup> day of July, 2019, recommend the granting of said Special Use Permit subject to certain conditions consistent with the amended recommendations included in the Staff Report dated July 11, 2019 and did find that granting of said permit would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities, and that granting such permit would be consistent with the zoning laws; and

WHEREAS, the Council did on the 15<sup>th</sup> day of August, 2019, hold a public hearing with respect to such application after duly advertising and giving proper notice of such hearing and does find that the granting of such permit, subject to certain conditions, would not substantially increase traffic hazards or congestion, would not substantially increase fire hazards, would not adversely affect the character of the neighborhood, would not adversely affect the general welfare of the community, and would not overtax public utilities; and

WHEREAS, the Council does further find that the general welfare requires that such permit be subject to the conditions hereinafter set out.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KIRKWOOD, MISSOURI, AS FOLLOWS:

SECTION 1. A Special Use Permit is hereby granted for an Amusement Establishment (Arcade) on the property at 105 East Jefferson Avenue subject to the following conditions:

- 1. Ordinance 9514 shall remain in effect except that the following conditions shall prevail when conflicting with those conditions found in Ordinance 9514.
- 2. Said arcade area shall be limited to approximately 2,000 sf of floor area in the existing building.
- 3. Said arcade area shall only be operated in conjunction with the restaurant use approved by Ordinance 9514.

SECTION 2. The approval of this special use permit shall not authorize any person to unreasonably alter, increase, or redirect the surface water run off so as to cause harm to any person or property.

SECTION 3. The premises and improvements as approved by this Special Use Permit shall be in good working order and maintained in good repair at all times.

SECTION 4. The applicant by accepting and acting under the Special Use Permit herein granted accepts the permit subject to the reservations, restrictions, and conditions set forth in the Code of Ordinances and in this Ordinance and agrees to comply with each provision subject to the penalties prescribed under Section 1-8 of the Code of Ordinances and subject to revocation of this permit in the event such provisions are not complied with.

SECTION 5. The applicant and his successors and assigns by accepting and acting under the approval herein granted accepts the approval subject to the condition that failure to abate any violation of this approval or any provisions of the Code of Ordinances of the City of Kirkwood within five (5) days after notice by hand delivery or first-class mail shall result in an administrative investigation fee of \$500 due to the City of Kirkwood. An invoice shall be issued. A Stop Work Order to cease all work on the premises except such work as directed by the Public Services Director to abate the violation may be issued for any work on the premises until the investigation fee is paid in full. The City may demand payment of said fee from the holder of the letter of credit, any bond, or escrow if not paid within 30 days of the invoice.

SECTION 6. The applicant further agrees by accepting and acting under this Special Use Permit herein granted that this Ordinance does not grant applicant any special rights, privileges, or immunities.

SECTION 7. This ordinance shall become null and void in the event the petitioner does not obtain a building permit for the construction approved by this ordinance within one year of the passage of this ordinance.

SECTION 8. This ordinance shall be in full force and effect after its passage and approval, as provided by law.

# **Legislation Request**

### Ordinance

Place On The Agenda Of: 8/15/2019

Step #1:

Strategic Plan NO

Goal # & Title

### Background To Issue:

Mission Taco Joint intends to open a new location at the former Kirkwood Station Brewing location at 105 E. Jefferson Avenue which would operate under the existing Special Use Permit. However, as part of the operations of the restaurant, the business owner also intends to operate a portion on the space for an arcade with pinball, skee-ball, and retro arcade games. This function requires a separate Special Use Permit for operation of an Amusement Establishment. Please see the attached Staff memo and application materials for additional details.

### Recommendations and Action Requested:

The Planning & Zoning Commission recommended approval of the request at their July 17, 2019 meeting by a vote of 8-0. Part of the approval was to amend the Staff's recommendations to include an additional condition which would state "Said arcade shall be for the exclusive use of restaurant patrons". This condition has been included in the draft ordinance which is attached.

A public hearing is requested for this item followed by City Council consideration of the request.

#### PROJECT DESCRIPTION:

MTJ Kirkwood LLC has applied to amend the existing Special Use Permit (Ord. 9514) which currently permits a restaurant with outdoor seating on the property known as 105 East Jefferson Avenue. The applicant intends to transfer this existing Special Use Permit from the previous tenant to their business to allow them to open a restaurant in the building most recently occupied by Kirkwood Station Brewing Company. They will use approximately 10,000sf of the 12,000sf building for the restaurant operations including the production of tortillas for this location and their other restaurants. The transfer of the existing Special Use Permit does not require Planning & Zoning Commission or City Council review; however, the applicant also desires to use approximately 1,880 sf of the existing building as an arcade area with food and bar service. The applicant indicates, in the attached cover letter, that they intend to have a mixture of pinball machines, retro arcade games, and skee-ball machines in the proposed arcade area. The arcade area is intended to both serve families who are dining at the restaurant and attract young professionals to patronize the restaurant by providing an entertainment option.

### **DISCUSSION:**

Zoning Matters signs will be posted on the property by July 12th, 2019. Section A-1000: Parking Regulations of the Zoning Code states that the change of use of any premises within the downtown area shall be exempt from additional parking and loading requirements. Historically, the City has required this Special Use Permit for any establishment that has four or more amusement devices.

### **RECOMMENDATION:**

Staff recommends this petition be approved with the following conditions:

- 1. A Special Use Permit shall be granted to allow for the operation of an Amusement Establishment (Arcade) on the property at 105 East Jefferson Avenue.
- 2. Ordinance 9514 shall remain in effect except that the following conditions shall prevail when conflicting with those conditions found in Ordinance 9514.
- 3. Said arcade area shall be limited to approximately 2,000 sf of floor area in the existing building.
- Said arcade area shall only be operated in conjunction with the restaurant use approved by Ordinance 9514.

Re: 105 East Jefferson - Amendment to Special Use Permit

Please accept this letter, as well as our application and other pertinent documents, to petition for an amendment to the Special Use Permit, Ordinance 9514, for the property located at 105 East Jefferson, Kirkwood, MO 63122.

With an executed letter of intent, and lease to follow, MTJ Kirkwood LLC plans to open a 12,000 square foot restaurant and bar with outdoor seating which will be very similar to other Mission Taco Joint locations around St. Louis, St. Charles and Kansas City, Missouri. Due to the size of the space, MTJ Kirkwood plans to add a secondary bar with video gaming area and is petitioning to amend the current Special Use Permit to include a portion of the property being used as an Amusement Device Establishment. Please note that this will not be separate from the restaurant operations, but be operated as part of the overall establishment.

The attached layout shows that approximately 1880 square feet of the total 12,000 square footage will be used as a Secondary Bar area with a combination of retro arcade games, pinball machines, and skeeball. It is the intention that this area will be great for families during peak hours when the restaurant is on a wait and will also be popular by young professionals in the later part of the evening as an entertainment destination. There are several similar concepts to this around the St. Louis area including Up-Down in the Central West End, Parlor in The Grove, and Start Bar in downtown St. Louis.

The restaurant will employ approximately 75-80 people total, with several of them working in the Secondary Bar area. The hours of operation for the entire establishment shall be consistent with all other Mission Taco Joints in the St. Louis area, and be from 11 am - 1:30 am Monday through Saturday, and from 11 am - 12 am on Sunday.

The proposal for the Secondary Bar area is to have 5-6 pinball machines, 16 retro arcade machines, and 4 skee-ball machines.

We are very excited about this project and have been wanting to have a Mission Taco Joint location in Kirkwood for some time and have been waiting for the right opportunity. With the addition of the retro arcade area at this location we feel this will be our flagship store.

Please reach out with any questions.

Cheers,

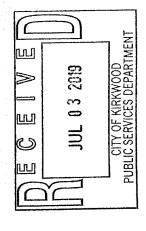

Adam Tilford

#### WHERE COMMUNITY AND SPIRIT MEET

July 18, 2019

Russell B. Hawes Chief Administrative Officer

At the July 17, 2019, meeting of the Planning and Zoning Commission, the following action was taken:

- 1. At the request of the petitioner, who is requesting amendments to the Zoning Code and a Special Use Permit for a tattoo studio on the second floor of 108 North Kirkwood Road, the application was continued to the August 21 meeting.
- 2. The Commission unanimously recommended approval of a Special Use Permit and Site Plan for Audi Kirkwood at 10230 and 10240 Manchester Road.
- 3. After a presentation from Britt's Bakehouse for a Special Use Permit to operate a bakery with retail sales at 137 West Jefferson Avenue, the Commission unanimously recommended approval.
- 4. After a presentation from Mission Taco Joint for a Special Use Permit to operate an amusement establishment in a portion of their restaurant at 105 East Jefferson, the Commission unanimously recommended approval.
- 5. Staff provided updates on development projects recently reviewed by the City Council.
- 6. Staff provided an update on the Zoning, Subdivision, and Sign Code Review project.
- 7. Staff provided the quarterly update on the Envision Kirkwood 2035 Comprehensive Plan.

The next meeting will be held on August 21, 2019, at 7 p.m.

Respectfully submitted,

Allen Klippel, Chair Planning and Zoning Commission 5. Said arcade shall be for the exclusive use of restaurant patrons.

SUBJECT: PZ-11-20; 105 E. JEFFERSON AVE. -

MISSION TACO JOINT (SUP AMEND - ARCADE)

**DATE:** JULY 11, 2019

BILL BENSING, PUBLIC SERVICES DIRECTOR

WHERE COMMUNITY AND SPIRIT MEET \*

#### **PROJECT DESCRIPTION:**

CC:

MTJ Kirkwood LLC has applied to amend the existing Special Use Permit (Ord. 9514) which currently permits a restaurant with outdoor seating on the property known as 105 East Jefferson Avenue. The applicant intends to transfer this existing Special Use Permit from the previous tenant to their business to allow them to open a restaurant in the building most recently occupied by Kirkwood Station Brewing Company. They will use approximately 10,000sf of the 12,000sf building for the restaurant operations including the production of tortillas for this location and their other restaurants. The transfer of the existing Special Use Permit does not require Planning & Zoning Commission or City Council review; however, the applicant also desires to use approximately 1,880 sf of the existing building as an arcade area with food and bar service. The applicant indicates, in the attached cover letter, that they intend to have a mixture of pinball machines, retro arcade games, and skee-ball machines in the proposed arcade area. The arcade area is intended to both serve families who are dining at the restaurant and attract young professionals to patronize the restaurant by providing an entertainment option.

#### **DISCUSSION:**

Zoning Matters signs will be posted on the property by July 12th, 2019. Section A-1000: Parking Regulations of the Zoning Code states that the change of use of any premises within the downtown area shall be exempt from additional parking and loading requirements. Historically, the City has required this Special Use Permit for any establishment that has four or more amusement devices.

#### **RECOMMENDATION:**

Staff recommends this petition be approved with the following conditions:

- 1. A Special Use Permit shall be granted to allow for the operation of an Amusement Establishment (Arcade) on the property at 105 East Jefferson Avenue.
- 2. Ordinance 9514 shall remain in effect except that the following conditions shall prevail when conflicting with those conditions found in Ordinance 9514.
- 3. Said arcade area shall be limited to approximately 2,000 sf of floor area in the existing building.
- 4. Said arcade area shall only be operated in conjunction with the restaurant use approved by Ordinance 9514.

To: Russell B. Hawes, Chief Administrative Officer

For Your Consideration: Unmanned Aerial System (Drone) for Kirkwood Police Department,

Bid #13291.

On August 7, 2019, an Invitation for Bid for an Unmanned Aerial System (Drone) for Kirkwood Police Department was issued to Fire Cam, RMUS, Fly High USA, Flymotion, and DSLRPros.

Bids were received August 21, 2019 from: Fire Cam, RMUS, and Flymotion.

| Vendor    | Total Cost   |
|-----------|--------------|
| Fire Cam  | \$ 27,939.95 |
| Flymotion | \$ 29,449.00 |
| RMUS      | \$ 33,355.00 |

The bids were provided to Brian Murphy, Police Chief, John Folluo, Police Captain, Chris Beckman, Police Detective, and Sean Seckler, Police Systems Administrator, for evaluation. It is recommended that the bid be awarded to Fire Cam, as their bid of \$27,939.95 is the lowest responsive and responsible bid meeting specifications.

Funds in the amount of \$27,939.95 are requested to be appropriated from equitable sharing funds and transferred to account number 205-1201-429.75-05.

Attached is a request from Brian Murphy, Police Chief, authorizing funds to be appropriated from equitable sharing to account number 205-1201-429.75-05 and a Purchase Order to be issued to Fire Cam in the amount of \$27,939.95 for an Unmanned Aerial System (Drone) for Kirkwood Police Department

#### Memo

Re:

To: Kirkwood City Council

From: Murray Pounds

Date: September 6, 2019

Performing Arts Center Manager Position

With the opening of the Kirkwood Performing Arts Center on course to occur during the summer of 2020 it is time to start considering staffing of the facility. The current staffing plan calls for three full time positions, a Performing Arts Center Manager, a PAC Technical Director and a custodial/maintenance position. The operating budget request for Fiscal Year 2020-21 for the PAC includes allocations for these three positions.

While there is no allocation in the current fiscal year for any of these three positions, it will be very valuable to bring the PAC Manager on board after the first of the year. In addition to assisting with the commissioning of the PAC, that individual can also begin booking additional activities in both the main theater and studio theater shell and event space, working around existing commitments to Stages and Kirkwood Theater Guild. They would also be a part of the recruiting and hiring process for the other two positions, both of which would begin work during the next fiscal year.

The projected cost to bring a PAC Manager on board for the last three months of the current fiscal year totals \$21,505. This is broken down in the following manner:

| <u>Item</u>           | Amount   | Account #         |
|-----------------------|----------|-------------------|
| Salary                | \$15,250 | 101-2010-451-1101 |
| Health Insurance      | \$ 3,600 | 101-2010-451-2101 |
| Dental Insurance      | \$ 150   | 101-2010-451-2103 |
| Vision Insurance      | \$ 25    | 101-2010-451-2104 |
| Social Security Tax   | \$ 950   | 101-2010-451-2201 |
| Medicare              | \$ 225   | 101-2010-451-2202 |
| Pension               | \$ 1,000 | 101-2010-451-2302 |
| Deferred Compensation | \$ 305   | 101-2010-451-2304 |

Funding these costs can be accomplished by transferring money from reserves of the Parks and Storm Water Sales Tax Fund. If approved Council, the plan would be to advertise the position in October with the ultimate goal of having the position filled by the start of the calendar year.

#### BILL 10794

#### **ORDINANCE**

AN ORDINANCE APPROPRIATING FUNDS IN THE AMOUNT OF \$24,080 FROM THE EQUITABLE SHARING FUND BALANCE TO THE MACHINERY & EQUIPMENT ACCOUNT, ACCEPTING THE BID OF TURN-KEY MOBILE IN THE AMOUNT OF \$24,080 (PURSUANT TO JASPER COUNTY SHERIFF'S DEPARTMENT COOPERATIVE CONTRACT) FOR THE PURCHASE OF PANASONIC TOUGHBOOKS FOR THE POLICE DEPARTMENT AND AUTHORIZING AND DIRECTING THE DIRECTOR OF PROCUREMENT TO ISSUE A PURCHASE ORDER.

WHEREAS, the City may purchase items and services that have been competitively bid and awarded by Jasper County Sheriff's Department Cooperative Contract, and

Step #1:

Strategic Plan NO

Goal # & Title

#### Background To Issue:

The Police Department has been notified of January 2020 end of life for the Windows 7 in the Panasonic Toughbook laptops used by officers in the field. This means that Windows 7 computers will not receive security updates, and for that reason REJIS (the criminal justice information network for this area) will block access to Windows 7 computers as of that date. The Police Department has five (5) computers that are incompatible with Windows 10 upgrades, so they will need to be replaced to allow for continued access by officers. This was not foreseen or budgeted.

The Police Department worked with the Procurement Department to obtain cooperative pricing through the Jasper County Sheriff Computer & Technology Prime Vendor Contract #JCSO 2017-008 for this purchase.

#### Recommendations and Action Requested:

The Police Department is requesting Council approval of the appropriation from Equitable Sharing of \$24,080 to be used for the purchase of five Panasonic Toughbook computers, accessories and extended Public Safety Service agreement through Turnkey Mobile, Inc. of Jefferson City, MO.

For Your Consideration: Five (5) Panasonic Toughbooks for Police Department, Bid # 13337

Vendor

**Total Cost** \$24,080.00

Turn-Key Mobile, Inc.

The City of Kirkwood may use cooperative contracts that are competitively bid. The Jasper County Sheriff's Department competitively bid Panasonic Toughbooks and Turn-Key Mobile, Inc. was the lowest responsible and responsive bid. The Jasper County Sheriff's Department contract number is JSCO 2017-008.

Funds are requested to be appropriated from the equitable sharing fund balance to account number 205-1201-429-75.05, in the amount of \$24,080.00.

Attached is a request from John Folluo, Police Captain, for an appropriation from the equitable sharing fund balance to account number 205-1201-429-75.05, in the amount of \$24,080.00 and a resolution authorizing a purchase order to be issued to Turn-Key Mobile, Inc in the amount of \$24,080.00 for Panasonic Toughbooks for the Kirkwood Police Department.

Respectfully,

David Weidler, CPPO, CPPB
