GREENTREE PARK

Marshall Rd.

Amenities:

Pavilion - call 314-822-5855 for reservations

Picnic Areas

Hiking

Fishing

Athletic Fields

Boat Ramp

RC Car track

Trails

History:

The location along the Meramec River offers recreational opportunities unavailable in other parks. However, due to its close proximity to the river, the park is subject to seasonal flooding. The remote controlled car track is currently operated by the Dirt Burners Remote Controlled Car Track club. The park also features a mile long stretch of the Meramec River Greenway Trail, and connects to additional trails in neighboring Simpson Park, operated by St. Louis County Parks and Recreation.
