Ross Family Theatre

The Ross Family Theatre is a state-of-the-art performance facility. With a seating capacity for 525 spread over the main floor and mezzanine level, the theater retains an intimate feel for all audience members. With a proscenium opening of 35' x 22' the stage has the size for almost any theatrical production, concert or recital, while the orchestra pit offers the opportunity to add live music to any production.

The stage lighting and sound systems offer the flexibility to function for a variety of purposes, from a business seminar speaker to full blown theatrical productions. The theatre's video projection system and screen mounted over the front of the stage are perfect for audiovisual presentations. A 21 baton Clancy rigging system offers endless lighting and curtain configuration to support any stage reveal.
