

WHERE COMMUNITY AND SPIRIT MEET[®]

SCIT Report/Recommendations

July 14, 2021

1. Speed Table/Cushion Pilot Project – It was discussed that a speed table be installed on Rifle Range Road prior to installing one in front of someone house.
2. Old Big Bend Parking – The request from a resident on Old Big Bend was to allow additional parking along Old Big Bend shoulder. Although, this request is not a SCIT item, the shoulder of old Big Bend is not designed to be a parking area, as the width of Old Big Bend does not currently allow it.
3. Additional Discussion Items
 - a. Vision Zero Action Plan will be placing temporary traffic calming bump outs on Longview in September 2021.
