

WHERE COMMUNITY AND SPIRIT MEET®

SCIT Report/Recommendations

October 13, 2021

1. Kirkwood Children's House Speeding Concern
 - a. SCIT discussed the AM peak traffic dropping kids off in the morning. Kirkwood Police completed an AM peak traffic observation and the majority of the traffic utilizes West Washington for drop off and pick up. SCIT decided to place the radar trailer on West Washington to measure speeds on the street. Results from the speed trailer will be discussed at the next SCIT meeting.

2. Additional Discussion Items
 - a. Ann and Couch Chevron Street Edge Markers removal request – The resident at this intersection would like these removed, as other T-intersections in Kirkwood do not have this sign markers. Kirkwood Police is going to provide the crash history on these markers and SCIT will discuss removal of these markers at its November meeting.
